## PETITION FOR CREATION OF NEW DISTRICT

The Adams County court Friday received a petition signed by more than 200 residents of the southeastern section of Mt. Joy Twp. asking that their area be named an independent school district.

Attorney John A. MacPhail handed up the petition which stated that "Mt. Joy Twp. is now severed into two parts for school purposes, the northwest part being part of the Gettysburg Joint School System and the southeastern portion part of the Littlestown Joint School System."

According to the petition, the approximately 200 signatories are "a majority of the taxable inhabitants of the southeastern part of Mt. Joy Twp."

**CHANGE UNDER NEW LAW**  
Asking that the independent district be named "Mt. Joy Independent School District," the petition said the action is desired because the "petitioners are of the opinion such action will enable the two areas of Mt. Joy Twp. to send their children to the school they presently attend, and this will provide better school facilities than any other arrangement which may be necessary because of the new school district reorganization law."

Under the new school reorganization law a school district may no longer be divided between two joint districts as Mt. Joy is now. If the court approves the establishment of an independent school district, then it can continue in the Littlestown system — where its students go today, while the other section of the township can continue sending its children to Gettysburg schools.

Other business before the court Friday included:

**COURT ORDERS ISSUED**  
Stanley E. Bowman, Hanover, following a hearing, was directed to pay \$10 per week for the support of his two children, pay the costs, and post a \$500 bond to comply with the order.

LeRoy Charles Milhimes, New Oxford R. 2, was directed to pay \$10 per week for the support of a child, pay the costs and post the usual \$500 bond.

Roger L. Garner was directed to pay \$15 per week for the support of his wife and two children, pay the costs and post the usual \$500 bond.

Following a hearing on a summary conviction Frank Robbins, Tacoma Park, Md., was found innocent and the costs placed on the county.

**DISMISS APPEAL**  
Theodore Blauvelt, Lancaster, in arrears on \$4,042.22 in restitution arising from fraudulent conversion charges in 1960-61 which led to a sentence of 11 to 23 months in prison at that time, was directed to pay \$150 this month, \$150 in March and \$400 in April to complete the payments.

An appeal of Robert L. Helwig, Biglerville R. 1, from suspension of his driver's license on a speeding charge, was dismissed after a hearing and the costs placed on Helwig.

## MOUNT PLANS INTERVIEWS

## Cut Cuban Personnel At Guantanamo; Base To Be Made "Self-Sufficient"

By JOHN M. HIGHTOWER  
WASHINGTON (AP) — The United States is appealing to Allied governments to join in tightening an economic noose around Cuba following President Johnson's decision to separate the Guantanamo naval base completely from the Cuban economy and water supply.

Johnson in effect told Cuba to keep its water.

The presidential decision was announced by the State Department Friday night after a day-long series of conferences on how the United States should react to Prime Minister Fidel Castro's action Thursday in cutting the fresh water supply to the naval base.

**WARN OF DANGERS**  
At the same time a White House statement warned of the dangers of "further provocations by Castro" and declared that the prospects "should be carefully weighed by all nations."

## POST OFFICE PROJECT MAY BEGIN MONDAY

Work on the addition to the Gettysburg post office is scheduled to start Monday — weather permitting.

Postmaster Charles Pentz said the Thurmont Construction Co., which won the contract with a bid of \$251,369, will have 300 calendar days in which to complete the construction once work begins.

In the meantime all parcel post and the rural mail carriers have moved to the former Army Reserve Training Center building on Puen St., where they will be stationed until the addition is completed. The area in the present post office used by parcel post and the rural carriers is the section into which the new addition will tie.

Pentz said General Services Administration officials, contractors' representatives and Buchart Associates at a meeting here Thursday indicated that the opening of the wall of the northeast side of the post office will be among the first items of work in order to begin construction of the addition.

The addition will be approximately 57 feet wide with a 15-foot loading platform on its north side. The addition will extend approximately 50 feet east and beyond that will be a 15-foot driveway to permit vehicles access to the loading platform.

Part, at least, of the present loading platform will be taken down among the first work scheduled.

The work also includes a number of alterations in the present building brought about as part of the improvement.

Postmaster Pentz said that all city deliveries will continue to be made from the post office. Persons wishing to phone concerning city or rural mail should dial 334-4349 rather than the number listed in the phone book for the post office.

## SELL RABBITS ON MART TODAY

Home-dressed domestic rabbits were offered today at Farmers' Market at 60c a pound. There was no other meat available.

Homemade meat was offered at \$1 a quart and fresh mince pies were 60c each. A large selection of baked goods included pumpkin, egg custard, cherry, apple and raspberry pies at 50c each.

Scraple was 30c a pound and pudding was 60c a pound.

Eggs were 45c, 50c, 55c and 60c a dozen. Heavy cream was 40c a pint, buttermilk was 15c a quart, cottage cheese was 20c a pint and homemade potato salad was 25c a pint. Hickory nutmeats were 30c a quarter pound.

Apples were 35c a quarter peck and 55c a half peck. Applebutter and honey were 50c each and dried apple schnitz were 35c a quart container. Local horse radish was 25c to 50c a jar.

## CHILD, CAR COLLIDE

Dwight D. Little, Gettysburg R. 5, reported to borough police at 5 o'clock Friday evening that on W. Middle St. a nine-year-old girl had run into the street and collided with his car. He told police he took the child to her mother, Mrs. Lehigh, W. Middle St. The child appeared unhurt.

## K. C. MEETS SUNDAY

There will be a meeting of the Knights of Columbus Sunday evening at 8 o'clock in the KC room on Lincoln Square.

## EYES ON BASE

Shortly before the White House announcement that Guantanamo would be made self-sufficient in water supplies, Secretary of State Dean Rusk pictured Castro as probably undertaking a concerted campaign to force the United States to abandon the big naval base on Cuba's eastern end.

## Senate Passes Tax Cut Bill

WASHINGTON (AP) — Democratic congressional leaders, spurred on by President Johnson, today fixed Feb. 19 or 20 as the goal for final action on the largest tax cut in U. S. history.

The benefits, including more dollars in take-home pay, would begin about the first of March.

The Senate passed its \$11.6-billion version of the legislation Friday, 77 to 21, well ahead of the original Feb. 11 deadline fixed by its leaders.

Even before the final vote, Johnson was conferring with his Capitol Hill lieutenants about speeding up plans for the Senate-House conference to reconcile the differences between the two chambers' versions.

Sen. Harry F. Byrd, D-Va., who heads the Senate delegation, told a reporter it was decided to begin the conference next Monday instead of Feb. 17 as planned earlier.

## PAY TRIBUTE TO 2 WOMEN

In recognition of their many years of service to the county as courthouse employees, the Misses Edna E. Eicholtz and Viola M. Sachs were honored Friday afternoon at their respective homes when the Adams County Bar Association presented each with an inscribed silver plate as a token of appreciation.

Miss Eicholtz and Miss Sachs retired January 1 after 78 combined years of service to the county.

The presentations were the result of a resolution Thursday evening adopted by the bar association which declared that the pair "were always particularly helpful to new members of the bar who were trying to make some sense from the maze of indexes and dockets in the courthouse; participated willingly and enthusiastically in courthouse tours for local high school students, and were helpful and kind to the public when they sought information and service."

The resolution expressed the hope that "the qualities exhibited by Miss Eicholtz and Miss Sachs during their years of service will serve as an example for all who are engaged in governmental service at every level."

Copies of the resolution were presented with the plates by Atty. John A. MacPhail for the bar association.

## To Give Fallout Shelter Courses

The Adams County Civil Defense headquarters has received notice that a series of fallout shelter courses for architects and engineers that will be given by the University of Pennsylvania, the Pennsylvania State University and the University of Pittsburgh.

The courses offered are: "Fallout Shelter Analysis." This is a 15-week, once-a-week course to be given in Harrisburg, starting February 22; "Environmental Engineering for Fallout Shelters." This is a 10-week, once-a-week course, which got under way Feb. 3 at the University of Pennsylvania; "Protective Construction." This is given in eight meetings, held every other Saturday beginning February 22 at University Park. The same course will be given in Philadelphia and Pittsburgh for 13 weeks starting in March.

William G. Weaver, County Civil Defense Director, said that he will furnish additional details to anyone interested.

## MISS NEARY, ROBERT OYLER ARE WED TODAY

Miss Joan Constance Neary, daughter of Mr. and Mrs. Robert Neary, 63 W. Middle St., and Robert Clair Oyler, son of Mrs. Nadine Oyler, 342 York St., were married this morning at 11 o'clock

MRS. R. C. OYLER

in St. Francis Xavier Church in a double-ring ceremony performed by Rev. Fr. Joseph P. Kealy, pastor.

The bride, who was given in marriage by her father, wore a full-length sheath gown of white lace over tulle and a bouffant nylon veil attached to a pillbox. She carried a cascade bouquet of orchids and carnations.

She was attended by her sister, Mrs. J. Raymond Crown, Abbottstown R. 1, who wore a light blue street-length dress with lace bodice and full chiffon skirt and a matching pillbox hat. She carried a cascade arrangement of yellow and white carnations.

## 150 AT RECEPTION

Bridesmaids were Miss Susy Fissel, 119 E. Middle St., and Miss Jean Sanders, Gettysburg R. 2, whose gowns were identical to that of the maid of honor.

William O'Farrell, Philadelphia, was best man, and the ushers were Robert P. Boyer, 217 N. Stratton St., and Leonard Miller, 25 E. Water St.

The bride's mother wore a light blue sheath dress and a corsage of pink rosebuds. The bridegroom's mother wore a navy blue suit and a pink rosebud corsage.

A reception for approximately 150 guests was held in Xavier hall following the ceremony.

The bride, a 1961 graduate of Delone Catholic High School, is employed by Banker's Insurance Group. The bridegroom, who attended Gettysburg High School and served in the U. S. Army for three years, is employed by Time-ly of Gettysburg.

The couple will live at 324 York St.

## Recollection Day On February 16

The annual Day of Recollection sponsored by the Conewago Deanery Council of Catholic Women will be held Feb. 16 at St. Joseph's Academy, McSherrystown. All women of the 15 parishes and four affiliated organizations which comprise the deanery are invited to attend.

The day of spiritual retreat will begin with Mass at 9 a.m. and will conclude with Holy Hour at 3:30 p.m. The Rev. William Roberts, a missionary priest of the Society of Jesus, will conduct the day's spiritual exercises.

Reservations are to be made in the parishes with the spiritual development chairman of the parish council. The total reservations are to be sent to Mrs. David Klunk, McSherrystown, deanery spiritual development chairman, not later than Monday.

It is planned to have a brief board meeting in conjunction with the day's program.

## RE-ELECT DIESECKER

Harry F. Biesecker, Cash-town, returned Friday from Reading where he attended the three-day winter meeting of the Pennsylvania State Nurserymen's Association. He was re-elected to a three-year term as a member of the executive board of the state organization.

## GIVEN COUNTY LAND SITE FOR JULY SESSIONS

The Adams County commissioners Friday gave approval for use of the county home land by the convention of the Mobile Homes Manufacturers Association here.

Andrew Larson, president of the Gettysburg Travel Council, and Walter B. Lane, chairman of its special activities committee, met with the commissioners in the courthouse and outlined a request by the Mobile Homes group to hold its annual meeting here, if arrangements can be worked out, and the need for space for possibly 600 mobile homes.

Three periods were suggested by the mobile homes group for its convention, the commissioners were told. The commissioners selected the July 27 to August 5 period in order to permit Roy Weaver, who farms the county home land for shares, to have the wheat removed prior to the gathering.

## RENEW CONTRACT

Permission was also granted for the convening group to "cut in" to the sewer and water service at the old county home with the provision that there would be no expense to the county and the mobile homes group would restore everything as it was previously after using the facilities.

The commissioners were told the mobile homes group would pay whatever sewer and water rental etc., might be entailed during the encampment.

The commissioners also renewed the contract of Roy Weaver to farm the county home land on the same basis as has been used during the last four years in which he has farmed the land. Under the agreement the county and Weaver operate on shares of profits and costs.

## TAX RELIEF FOR AGED

Carl Gudat of Buchart-Horn Associates met with the commissioners to discuss further the possibility of the county engaging in a planning and zoning program, continuing the discussion from Tuesday when state planning officials and a representative of a New York planning concern began outlining the laws, regulations and value of planning to the commissioners.

R. K. Stallsmith and four other members of the Senior Citizens Club of Gettysburg met with the commissioners to point out problems of elderly women particularly to meet the occupancy tax. They noted that while a retired man gets a \$50 rate when he retires, a woman generally is continued at the \$100 housewife rate on which she always paid. They asked the commissioners to consider some type of relief for taxes for the elderly, especially the elderly woman.

## NO PROMOTION FUNDS

Bills approved during the day totaled \$7,793.

After considering a request from the Travel Council for financial assistance in promoting tourist visitation, the commissioners voted against contributing to tourist promotion this year.

## FAMILY SERVICE

A family service will be held Sunday morning at 11 o'clock in St. Paul AME Zion Church, S. Washington St., Rev. Lena Parr, pastor, said today. The Christian Home League will be in charge of the service. Ralph Mentzer will be the speaker. The children's choir will present a special program. The public is invited to attend.

## TO ADDRESS PTA

Dr. William Duncan, dean of admissions at Millsville State College, will discuss financial aid to college students Monday evening at 7:30 o'clock at the Lower Adams PTA meeting in the New Oxford High School. A group of teachers will present several musical numbers.

## Gen. Khanh Assumes Post Of S. Viet Nam Premier

By MALCOLM W. BROWNE  
SAIGON, South Viet Nam (AP) — Maj. Gen. Nguyen Khanh, South Viet Nam's 36-year-old strong man, announced the formation of a new government today with himself as premier.

Dapper in paratrooper's fatigues, Khanh read the list of Cabinet officers from the steps of his office building and vowed to "bring forth all our strength to repel Communist aggression, to bring security to our people, especially those in the countryside."

## CHIEF OF STATE

Khanh named the popular Maj. Gen. Duong Van Minh as chief of state. Minh, leader of the deposed military junta, is expected to have only nominal power.

## Lions' Directors Aid Beacon Lodge

The weekly news letter of the Gettysburg Lions reveals today that the club's board of directors has voted \$112 from the club's charity fund for a salad unit to be placed in the kitchen at the Beacon Lodge for the blind, a Lions project in central Pennsylvania. Lions clubs of this zone have undertaken to provide the unit and the cost prorated at \$1.60 per member.

The clubmen will meet Monday evening at 6 o'clock for their weekly dinner meeting at the Varsity Diner. A film on the "Indianapolis 500" will be shown. A meeting of the attendance committee has been called there for 5:35 p.m.

## H. H. THOMAS HOME RAZED FOR BUSINESS

Construction of an ice cream stand at York and Fourth Sts. is one of the projects started in the community during January, according to the building permits issued by Charles E. Kuhn, borough building inspector.

Mehrl Feaser, for whom the \$12,000 soft ice cream structure is being built by Robert Noll Inc. at 360 York St., is having the former H. H. Thomas home at that address torn down. The permit for the demolition was granted to Thomas Carr in November. The house is nearly razed, while the ice cream stand is nearing completion at the rear of the lot. When the house is removed the area where the house stood will be blacktopped as the drive-in space for the stand.

Melvin Statler was given a permit in January to convert a house trailer to a house on E. Water St. The permit anticipates costs of \$5,000 for the work. With the placing of the mobile home, and completion of Statler's Auto Upholstery Shop on the north side of E. Water St. between the Tiber bridge and Fourth St. the area now is nearly filled with residences and stores. On the south side of E. Water St., Sharon Industries has completed \$9,150 worth of construction including a boiler room, switch room and office, for which a permit was granted in January.

## OTHER PERMITS

Two barns on Race Horse Alley east of N. Stratton St. are in the process of removal. A barn that once housed the family horse and buggies and was believed one of the older structures in town has been demolished at the rear of the Carrie E. Miller property 116 York St. Being taken down is the adjoining garage of John Arnsberger, 118 York St., according to the permits.

Other permits issued during the month include: An outside stairway at the Mrs. C. C. Culp property, York St., \$1,000; a flashing sign at Eddie's Cleaners, \$425; a sign for Charles Kargas at 100 York St., \$50; Willis McCadden, for a garage at Hanover and 3rd, \$2,400; a sign at 29 N. Washington St., \$500, and a permit for a roof over the front steps at St. Francis Xavier Rectory, \$300.

## TO ADDRESS PTA

Dr. William Duncan, dean of admissions at Millsville State College, will discuss financial aid to college students Monday evening at 7:30 o'clock at the Lower Adams PTA meeting in the New Oxford High School. A group of teachers will present several musical numbers.

## BOMB BLAST FRIDAY

Explaining what he called the new government's historic mission to save the country, Khanh said: "Every act aimed at sowing dissension and act of sabotage beneficial to the Communists and neutralists will constitute a crime against the people of the motherland."

On Friday a bomb exploded in a Saigon bar, killing five Vietnamese, including a bar girl. Six U.S. servicemen were wounded, none seriously.

The explosion at the Playboy Bar was the worst terrorist act in the capital in more than a year.

## POLICE SEEK MAN WHO USED GUN TO FORCE LONG RIDE HERE

State police today continued their search for a man who at gun point forced an Allentown meter reader to drive him from Allentown to near Gettysburg Friday.

The search began about 2:05 Friday afternoon but despite intensive efforts by the officers and appeals throughout Friday afternoon and evening over WGET for the public to be on the look out, the gunman was still at large this morning.

State police Cpl. George J. Evanko said Lawrence L. Lurwick, 31, of 2121 Walbert Ave., Allentown, phoned the state police from the home of Mildred May Miller, Gettysburg R. 6, shortly after 2 o'clock Friday to report a man had forced him at gunpoint to drive here.

## PISTOL AT NECK

Lurwick told the officers that as a meter reader for the Pennsylvania Power and Light Co. he had read the meter at 1965 Greenwood Rd., Allentown, about 10 o'clock Friday morning.

## CONVICT PAIR ACCUSED OF EXTORTION TRY

LOS ANGELES (AP)—A jury has convicted two men accused of attempting to extort \$80,000 a year from millionaire Ray Ryan.

Johnny Marshall, 52, of Chicago, and Charles Del Monico, 36, of Miami, were convicted Friday of one count of conspiracy to commit extortion and one count of interstate travel in aid of racketeering.

Federal Judge Jesse W. Curtis granted a directed verdict of acquittal on a third count of interstate travel with criminal intent.

### DENIED MISTRIAL

The judge denied a motion for a mistrial requested by the defendants' attorneys. He set March 2 for probation hearing and sentencing.

Marshall uses that name on the West Coast and in Las Vegas, Nev., and it is the name under which he was indicted. However, in the Midwest and mostly Chicago, he is known as Marshall Calfano, a longtime hoodlum leader of its underworld. He is awaiting trial in Chicago on charges of conspiring to defraud an insurance firm of \$48,000.

### FREE ON BOARD

Marshall and Del Monico remain free on \$20,000 bond each. The counts on which they were convicted each carries a maximum penalty of five years imprisonment and a \$10,000 fine. A third defendant, Allen Smiley, 52, of Los Angeles, was acquitted earlier on a directed verdict.

During the five-week trial, the defense contended Marshall and Del Monico were collecting a debt for veteran gambler Nick (the Greek) Dandolos. Dandolos, named in the federal complaint as an "undisputed co-conspirator," said Ryan had cheated him out of more than \$500,000 in a rigged game of low-ball poker in Las Vegas, Nev.

### DEER CAUSES MISHAP

An automobile driven by Wayne E. Steele, 43, of Bontion, N. J., went out of control, ran off the highway and struck several guard rails after a deer ran out in front of his car one and a half miles south of Abbotstown Thursday at 6 p.m., police reported. Steele was not injured and damage to his car was estimated at \$800, police said.

## Plan Conversion Plant In Cuba

PITTSBURGH (AP)—Westinghouse Electric Corp. says it is moving ahead with plans to build a sea water conversion plant for the U.S. naval base in Cuba.

The big electrical firm said Friday it discussed the idea with the federal Office of Saline Water (OSW) and added, "OSW is interested in our proposal and has asked us to develop it further. A Westinghouse spokesman said the company 'will work it up in a hurry.'"

The Cuban government stopped the flow of water to the Guantanamo Bay base Thursday. Several conversion plants developed by Westinghouse are operating in different parts of the world. The plants convert sea water to fresh water.

## CARLOS AWAITS WEDDING DATE

MADRID, Spain (AP)—The Spanish national radio broadcast a statement by Prince Carlos De Borbon Y Parma today which said he and Princess Irene of Holland were formally engaged "and the date of our wedding will depend on conversations with the royal Dutch family."

Carlos said he expected to go to Holland soon to meet with Queen Juliana and her royal consort and discuss a date for the wedding. The prince said he and the princess had been friends "for a good many years and we have met frequently, but our understanding was not formalized until recently."

### FATHER ARRIVES

At the time the announcement was made, Princess Irene and Carlos had arrived at Madrid airport, where the tall Dutch girl presented her suitor to her father, Prince Bernhard. Bernhard flew here earlier in a special plane to bring Irene home.

Prince Bernhard left the royal plane in which he had waited more than two hours to greet his daughter and her choice for a husband. The royal father squeezed his daughter in a big hug and kissed her soundly. Both were smiling as the Dutch father turned and gave Prince Carlos a big embrace.

Carlos was identified as a son of Prince Xavier, traditionalist pretender to the Spanish throne.

## BRUINS BEAT CALIFORNIA, 18TH IN ROW

By TED MEIER  
Associated Press Sports Writer  
You can't fool them, but it doesn't mean a thing to the all-conquering UCLA basketball team.

The nation's only undefeated major college team and top-ranked in The Associated Press poll, the Bruins made it 18 in a row Friday night by wallowing California 67-67. Fanatic Cal rooters backed Harmon Gymnasium at Berkeley, Calif. to its capacity of 7,200, but their screeching and the blaring of student bands didn't scare UCLA as it has other teams in the past. The playmaking of Walt Hazzard and his 21 points plus the shooting of Gail Goodrich, good for 26 points, gave UCLA a 40-30 halftime lead and the Bruins ripped the game open with their customary second half burst. They now are 7-0 in Big Six competition to Cal's 5-2.

### TROUNCES TULANE

Davidson, No. 5, wallowed Georgia Southern 95-76 and Vanderbilt, No. 8, trounced Tulane 96-64 in the only other games involving teams in the AP Top Ten. It was Tulane's 17th consecutive setback and left the Greenies still the only winless major team.

Georgia Tech nipped Louisiana State 51-49 on R. D. Craddock's jump shot with five seconds left and moved into a first place tie with Kentucky in the Southeastern Conference. Georgia and Kentucky each are 6-2 in SEC play with Vanderbilt right behind at 5-2.

Things got all jammed up in the Ivy League as Harvard upset Princeton 88-82 and Yale knocked off Cornell 79-67 to create a five-way deadlock. Harvard, Princeton, Yale, Cornell and Penn each are 4-2 in league play. Penn crushed Dartmouth 97-66 to gain its share of the top.

### OTHER GAMES

Syracuse snapped Pitt's eight-game winning streak 96-84, Boston University upset Army 73-62 and Tennessee Tech downed Western Kentucky 92-83 in overtime.

## HIGHLIGHTS OF PROPOSED TAX CUT BILL

WASHINGTON (AP)—Here are the major provisions of the \$11.6-billion tax cut bill passed by the Senate Friday:

Individual Rates—The present schedule of 20 to 91 per cent would be reduced to 14 to 70 per cent, with two-thirds of the cut effective in 1964 retroactive to Jan. 1, one-third in 1965. The Senate and House bills are identical.

Withholding from Salaries and Wages—The Senate bill would cut rates from the present 18 per cent to a 14 per cent one week after the measure is signed. The House bill would cut it to 15 per cent this year, 14 per cent starting in 1965.

Corporate Rates—The present 52 per cent tax—30 per cent normal, 22 per cent surtax—cut to 50 per cent this year retroactive to Jan. 1, 48 per cent starting in 1965. Normal and surtax rates would be reversed so they would wind up 22 per cent normal and 26 per cent surtax next year to give a greater break to small firms. The Senate and House bills are identical.

### CAPITAL GAINS

Capital Gains—The House bill would cut rates on stock or other assets held more than two years so any gain would be taxed at 40 per cent of normal levy with a 21 per cent ceiling and would retain the present rate of 50 per cent of regular tax with a 25 per cent ceiling for those held six months to two years. The Senate bill would continue present rates unchanged.

Itemized Deductions—The House bill would deny deductions, now permitted, for state gasoline taxes, auto tags, drivers' licenses, liquor taxes, tobacco taxes and certain excise taxes including those on admissions and hotel rooms. The Senate bill would continue deductions on gasoline taxes, auto tags and drivers' licenses.

Stock Dividend Credit Income—Both bills would repeal the 4 per cent credit on stock dividend income which may now be subtracted from taxes due. They also would double the present exclusion of such income from taxable income; the new allowances would be \$100 for an individual, \$200 for a married couple.

Minimum Standard Deduction—This feature, the same in both bills, would allow a flat deduction of \$300 for each taxpayer plus \$100 for each exemption after his own. It could be used as an alternative to the present deduction of 10 per cent of gross income up to a \$1,000 maximum.

### BULLETIN

ACCRA, Ghana (AP)—The government announced today the deportation of six University of Ghana faculty members—four of them Americans—for subversive activities. The announcement of their deportation came after a demonstration by more than 2,000 followers of President Kwame Nkrumah's Convention People's party at the University of Ghana in suburban Legon.

## ASIAN HEIR IS KIDNAPPED

SINGAPORE (AP)—The kidnappers of the heir of an Asian movie fortune were reported today to have demanded \$166,667 as ransom.

Sources close to police said the first ransom contact was believed to have been made Friday night, following the arrival here of the victim's father, cinema tycoon Run Run Shaw. No details were given.

There was no immediate confirmation from police or the family of 81-year-old Shaw Vee Ming, managing director of the vast Shaw organization.

Young Shaw was kidnapped Wednesday by four gunmen, who layd his chauffeur-driven sedan 100 yards from his home. The chauffeur was also seized.

Police remained silent on their hunt for the kidnappers. Earlier unofficial reports said several known underworld figures were being held for questioning.

### SELLS FAIRFIELD HOME

Mrs. Ruth G. Glenn, Baltimore St., said she sold her former home on Franklin St. in Fairfield, to Mr. and Mrs. Melvin H. Leatherman, Gettysburg, R. 2. Immediate possession is being given. William A. Bigham, local realtor, made the sale.

ington beat Southern California 66-60, Colorado State U. downed Wyoming 66-56, Oregon overcame Idaho 61-58, Stanford defeated Washington State 80-69, Oregon State whipped Portland 97-68 and Utah State nipped Montana State in overtime, 77-73.

## NON-CATHOLIC GROUP FAVORS PAROCHIAL AID

COLUMBUS, Ohio (AP)—Federal aid to parochial schools, opposed by Protestant leaders for decades, has received support on a limited basis from delegates representing more than 40 million church members outside Roman Catholicism.

The National Council of Churches' conference on church and state, attended by representatives of 24 Protestant and Orthodox churches in the United States, went on record Friday in favor of a limited federal aid program for church-aided schools.

The action, not binding on the parent organization, came in concluding sessions of a week-long conference.

The more than 200 churchmen attending limited their support to specific health and welfare programs in primary and secondary schools.

The Protestant clergymen and lay leaders rejected by a narrow margin a proposed amendment to limit their support of such federal aid to "existing federal programs."

In a noisy debate prior to adoption of the general findings, the churchmen approved a policy statement supporting health and welfare programs "conducted by parochial institutions to meet particular public needs."

The delegates reaffirmed their opposition to the use of government funds to support religious teaching.

## STORMS LASH FLORIDA COAST

By THE ASSOCIATED PRESS

Heavy rainstorms and winds that gusted up to 60 miles per hour lashed Florida today. Tornado warnings were in effect for several hours in the Daytona Beach-Tampa area.

The big thaw continued in the southern Great Plains after several days of blizzard-type weather. At least 15 persons perished, four Friday in a plane crash. Some highways in Texas were coated with two feet of ice.

The Southeastern storm dumped rain over most of Florida and the Carolinas. Gainesville in northern Florida reported 1.3 inches during a six-hour period. About .25 inch fell in the Carolinas.

The tornado warnings were lifted early today in Florida after strong winds snapped power lines. No tornadoes were sighted.

Much of the Midwest had snow flurries. Snow squalls whirled through some isolated areas. Muskegon, Mich., reported 2 inches of new snow in a six-hour period.

## Court Denies CORE Petition

PHILADELPHIA (AP)—Federal court, for the third time this week, has denied a stay of prosecution for 11 members of the Congress of Racial Equality on charges stemming from a sit-in at City Hall last Sept. 20.

A three-judge panel, sitting en banc in the U.S. Court of Appeals for the Third District, handed down the ruling Friday. Earlier this week, U.S. District Judge Joseph W. Lord Jr. refused to accept jurisdiction in the case and U.S. District Judge Abraham L. Freedman turned down a CORE petition for an injunction to bar prosecution.

AUSTIN, Tex. (AP)—Mrs. Jesse C. Kellam, wife of the manager of the Lyndon B. Johnson family television station, died Friday, apparently of a heart attack, while planning her daughter's wedding.

### "LONG BUT RIGHTEOUS"

The hardest road to travel... is the road that's known as right... for it is lined with pitfalls... lurking out of sight... the righteous path is steep and rough... and troublesome at best... each step, however long or short... constitutes a test... temptation lingers at each turn... the easy way some go... but in the end they realize... the short-cut leads to woe... remember as you travel on... good things come slow but sure... faith and strength in great supply... are needed to endure... so if you tire treading... the long but righteous road... rest awhile and pray for strength... then continue with your load.

## FOUR PERSONS LAY CLAIM TO BIG MALE CAT

READING, Pa. (AP)—When Mrs. Robert Bauder moved from an apartment to a new address last week, she took along a black, three-year-old male cat of uncertain pedigree named Midnight.

Now her former neighbors, Mr. and Mrs. Wayne R. Heffner, claim Midnight is theirs. Friday night they went before Alderman Paul C. Brogley to press their claim.

Alerted by the publicity, Mrs. Ronald Ahrensfield, who lives in another part of Reading, appeared at the hearing and said the cat was hers. Only she called him Satan.

NOT A CRIME

Besides trying to decide who gets the cat, Brogley may also have to decide if it's a crime in Pennsylvania to steal a cat.

Mrs. Bauder's lawyer claims it's not. He cited a 1933 State Superior Court ruling, stating that under common law "a cat could not be the subject of a larceny." Mrs. Bauder said she found the cat, cared for it and so it's hers.

At one point Brogley demanded: "Do you want me to cut the cat in half?"

Mrs. Bauder's lawyer answered, "No." Mrs. Ahrensfield broke into tears.

Brogley said he will talk to the district attorney before giving his decision.

Meanwhile, Midnight, or Satan, who was not at the hearing, remained in Mrs. Bauder's custody.

## CLAY WANTS TO PICKET SONNY LISTON'S CAMP

MIAMI BEACH, Fla. (AP)—Cassius Clay, boxer, poet, ticket-seller, recording artist and prophet, says he will appear before the Surfside City Council Tuesday night and plead for permission to picket the training halls of heavyweight champion Sonny Liston.

Clay made the decision Friday, when Wiley B. Barefoot, police chief of Surfside, refused to admit Clay and his aides to Liston's camp.

They had made the trip in a bus plastered with signs that said: "If Liston keeps up this jive, I'm cutting it to five."

"Bear season opens Feb. 25." And, as usual, "Cassius Clay, I'm the greatest."

Five is a reference to the number of rounds Clay says it will take him to whip Liston in the heavyweight title match on Feb. 25.

Clay calls this activity part of psychological warfare, according to his press agents. They contend it is working. For instance, the publicity men said that Liston was irritated by Clay's trip Friday and looked sloppy while sparring with Leo-tis Martin.

Liston cut his workout short and, without showering, slipped out the back door, the publicity men said.

It was the second day in a row that Clay skipped a workout.

## 975,250 Rabbits Were Killed In '63

HARRISBURG (AP)—Figures released by the Game Commission show that last year small game and waterfowl season was an improvement over 1962—at least for the hunters.

For example, they shot 975,250 rabbits during 1963, an increase of 38,000 over the estimated statewide kill the previous year.

Pennsylvania hunters also bagged more squirrels (371,500), more grouse (63,400), more hares, raccoons, woodcock, woodchucks and doves. A decline was recorded, however, in the kill of ringneck pheasant (449,000), turkeys (13,699) and quail.

## James MARLOW Reports

By The Associated Press

WASHINGTON (AP)—The sheer embarrassment of power from which this country suffers was reflected best, perhaps, in Congress as Fidel Castro cut off most of the water supply of the U.S. naval base at Guantanamo in Cuba.

One member after another Thursday got up to say this country must do something, while being vague on what. Not Sen. Barry Goldwater, up in New Hampshire campaigning for the Republican presidential nomination.

He had a very simple solution: Send in the Marines to turn on the water. But the answer isn't quite that simple, as President Johnson decided later.

### POWER TO CHURCH

While this country has the power to crush Castro in a minute, it first has to worry about a couple of other things, either of which, if it happened, might do more damage than Castro:

1. It must be careful how it throws its power around at a time when it is preaching reasonable settlements, trying to influence small and backward nations, and arguing their right to self-determination.

2. It doesn't know what Russia would do. If this country took military action against Castro and Russia leaped to his defense, what started out as a minor foray would be a world war.

### HAS SAME PROBLEM

Russia, the other big master power, suffers exactly the same embarrassment with its own problems, never knowing what to expect from this country if it gets aggressive.

Thus the two giants, clothed in more power than any nations in history, are in a dreadful kind of stand-off. A war between them would destroy them both, and aggression by either would unhinge their influence.

Nobody understands this embarrassment better than French President Charles de Gaulle. He feels free to butt in all over, talking of French prestige while looking for business for French traders.

### PROTESTING TREATY

And certainly Castro and others, like Panama, understand it. Both Cuba and Panama have defied the United States but in such a way—by arguing legality—as to have some plausibility and win sympathy.

Panama protests the American-Panamanian treaty of 1903, which gave this country a right to stay in Panama's Canal Zone forever, a treaty arranged when Panama was even weaker and more helpless than it is now.

Castro is irked by another 1903 treaty, this one American-Cuban, arranged when Cuba was also far weaker than now. It gives the United States the right to the Guantanamo naval base as long as it wants to stay there.

### OBLIQUE ATTACK

Castro, instead of banging head-on into this country over the base, has tackled it obliquely, since Russia undoubtedly wouldn't help him try to run the United States out.

That 1903 treaty doesn't give Americans at the base the right to Cuban water. But long ago a private company contracted to supply the base with water from a Cuban river.

When Castro took over Cuba, he took over the company and has kept on selling the base the water for \$14,000 a month.

### BOATS SEIZED

Last Sunday the U.S. Coast Guard seized four Cuban fishing vessels off the Florida Coast, charged they were operating within American territorial waters and turned them and their crews over to Florida authorities.

Nine crewmen were released for various reasons, 29 were held. Castro argued they had not been seized in American waters but in intercontinental waters.

So he announced: The Guantanamo water supply from Cuba would be shut off until the rest of the crewmen were released. Thursday night, he said he would turn on the water for one hour daily.

### LOT OF TROUBLE

The United States can supply water to the base by its own devices without any water from inside Cuba. But this means millions of gallons a week. That's both a lot of water and a lot of trouble.

This country could make life easier for itself by yielding to Castro and releasing the prisoners, provided he turned on the water again. But this would be a Castro victory.

The Castro and Panamanian defiance, if successful, would be an encouragement to other small nations, knowing this country's embarrassment of power, to twist its nose at a time when the United States is trying to play big friend, if not big brother, to small nations.

### TOUGH CHOICE

The United States can't take direct action without appearing an aggressor. If it stands pat,

## Princess Is Told To Renounce Throne Rights

AMSTERDAM (AP)—A Catholic newspaper advised Princess Irene today to drop her rights to the Netherlands throne if she intends to pursue her own religious and romantic life.

The newspaper Volkskrant offered the counsel to Queen Juliana's second daughter, who was converted to Catholicism about a year ago but kept it secret until recently.

Some circles looked on the editorial as a dictate to the blonde princess, 24, whose reported Spanish romance has had the Dutch people buzzing.

### TO RETURN HOME

Irene's father, Prince Bernhard, may clear up the mystery and confusion when he brings the princess back from Spain. Volkskrant summed up the problem of the princess in one sentence: "Relinquishing the succession rights seems to be the most probable answer."

Premier Victor Marijnen, who shut off palace information sources Friday night and made it clear that all news of the royal troubles would come from the government, is a Catholic. The House of Orange is traditionally Protestant.

Prince Bernhard kept discreet silence as did Queen Juliana. They had nothing to say about the story on Irene's conversion to Catholicism, her purported romance with a Spanish nobleman, and her protracted stay in Spain.

The Dutch have not liked the Spaniards for years and Gen. Francisco Franco's association with the Nazis did little to change this.

This background has elevated a family problem to high level politics. The Dutch, who love their monarchy, worry about a family that seems to produce only girls.

### Cocktail Lounge Plans TV Program

NEW ALBANY, Ind. (AP)—A cocktail lounge in New Albany is going to put on its own television program, using patrons for the cast.

The camera, which will be mounted in the lounge and relay pictures to a television set in the front window, will enable passersby to see what's going on—as required by Indiana law.

The bar is in an area with no windows on the ground floor of a motel. That created the problem because the law says you must be able to see inside.

### Last Road Trip For Mrs. Rockefeller

PORTLAND, Ore. (AP)—The western campaign swing Mrs. Nelson A. Rockefeller is making with her husband is probably her last extended political activity until after the birth of the child she is expecting in June.

Rockefeller, governor of New York, is running for the Republican nomination for president. The Rockefellers plan to return to New York Sunday.

Swimmers Bill Baker, Lloyd Millman and Tim Niland, all from Tonawanda, N. Y., are members of the University of Wyoming swimming team.

some will look on it as a bully. If it yields, it may be considered a patsy.

Johnson said Thursday night this country will supply the base with water from Florida. Since he said the United States could keep this up "indefinitely," it may be a long dispute.

## Gettysburg Schools Report

Evaluation Of The Gettysburg Area Senior High School

Evaluation is the process of making judgments that are to be used as a basis for improvement. It consists of establishing goals, collecting evidence concerning growth toward goals, making judgments about the evidence and revising procedures and goals in light of the judgments. It is a procedure for improvement. An evaluation of a school system at any level is a very important aspect of school operation.

During the past year, the staff of the Gettysburg Area High School has been participating in a thorough examination of the total school program at the high school level. The evaluation criteria for staff study was prepared by the National Study of Secondary School Evaluation Organization.

In order for a school system to receive an accredited rating by the National Study Organization, it must conduct a prescribed school evaluation every 10 years and be found to be sufficiently acceptable in relation to the standards set forth in the evaluation criteria. Gettysburg Senior High School has always been on the accredited list since the inception of the accrediting organization.

### COMING IN APRIL

Basically there are three phases of the evaluation. The first phase involves completing a self-evaluation of the total school program by the entire school staff; this self-evaluation takes a number of months to complete. It involves much committee work answering hundreds of questions pertaining to such areas as school philosophy, program of studies, subject fields, school and community, student activities, school plant, instructional materials and school staff and administration.

The second phase is a three-day review of all of the evaluative criteria by a visiting committee of educational specialists. This committee of 14 members, headed by Thomas W. Pyles, supervisor of secondary education, Maryland State Department of Education, will visit this school on April 8, 9 and 10. The committee's function is to provide a check on the self-evaluation carried out by the staff.

The third phase is the follow-up report which will be issued by the visiting committee for the National Study Organization. The report when submitted will contain an extensive written summary, a graphic summary, commendations and recommendations for improvement.

The Gettysburg Area Senior High School will be evaluated in terms of the extent to which it is meeting the needs of the students who are enrolled, or for whom it is responsible.

### ADVERTISE IN THE TIMES

## Cut Cuban

(Continued From Page 1)  
"The basic fact is," Rusk told a news conference, "that we are in Guantanamo and will remain there for the foreseeable future."

Later Cuban President Osvaldo Dorticos issued a statement on Havana radio.

### TO CLAIM BASE

"We will claim the base in the moment we consider convenient and will use the ways of international organizations that we will consider convenient for our claim," said Dorticos.

Johnson ordered the Defense Department to make Guantanamo self-sufficient.

With this order, Secretary of Defense Robert S. McNamara, the statement said, issued instructions to:

"Assure the base control over its own water supply both by conversion of sea water to fresh water and by the transportation of water by ship.

"Reduce the employment of Cuban personnel who are subject to the control of the Cuban government and whose wages contribute to its foreign exchange."

### WON'T USE WATER

Asked if the Cuban water would be used if Castro turned it back on, a Defense Department spokesman said, "No. The new instruction means that we do not anticipate having to use water again from that source."

Administration officials said the President and his advisers believe the decision on the American response is appropriate to the challenge posed by Castro in closing the pipeline to the base.

## MORE ARRESTS PLANNED BY IRS

WASHINGTON (AP)—The Internal Revenue Service expects to make additional arrests in the next few weeks as it steps up its campaign to root out corruption in its ranks.

Thirteen persons have been arrested this year, including seven IRS employees, in bribery and embezzlement cases. Six were arrested last week in New York City.

More arrests in the New York case are predicted by U.S. Atty. Robert M. Morgenthau. Arrests also are expected in other areas.

### CONTINUE PROBE

Mortimer M. Caplin, IRS commissioner, declined to make any predictions about future arrests although he had said previously that the New York investigation is continuing.

Caplin said increased arrests stem from the IRS' three-year campaign against internal corruption.

Attempted bribes have been reported by 126 IRS employees over the past three years.

Of 101 arrests involving internal corruption during that period, 45 were in the New York region. Next highest was Cincinnati with 16. Boston had 9, Philadelphia 8 and Chicago 7.

The IRS conducts about 10,000 investigations and 350 audits a year as checks on its own employees.

## LEMA LEADING PHOENIX OPEN BY ONE STROKE

By DICK STUART

Associated Press Sports Writer  
PHOENIX, Ariz. (AP)—Champagne Tony Lema, campaigning to become the first double winner of the winter golf trail, carried a one-stroke lead into today's third round of the \$50,000 Phoenix Open Golf Tournament.

One stroke behind Lema's six-under-par 136 were a half dozen players — U.S. Open champion Julius Boros, British Open king Bob Charles, Jack Nicklaus, George Bayer, Gary Player and unheralded Bobby Brue.

The traffic jam at the top found no fewer than 18 within three strokes of the leader and jockeying today for the lead.

### PALMER TRAILS

This gathering did not include Arnold Palmer, who is seeking an unprecedented fourth straight Phoenix Open crown. He is six strokes back at even par 142 for the 36 holes along with six others.

Lema, annoyed by amateur cameramen, shot his second straight three-under-par 68 over the Phoenix Club Course for his 136. His card for Friday's round included an eagle, five birdies and four bogies.

Grouped at 138 were Don January, who fired a tourney best 64 Friday, Dave Marr, Bob Rosburg, first round leader Don Fairfield, who posted a one-over-par 72 Friday, Don Whitt and Herman Scharlau.

Gene Littler, Bob Nichols, Bernard Hunt, Rex Baxter, Frank Beard and Gay Brewer were next at 139.

The cut was 146, and today's field included 86 pros and 10 amateurs, the latter led by George Boutell of Phoenix. The Arizona State University sophomore, who has won the amateur prize in this tourney three consecutive years, had 144 after 36.

greatly agitated and she directed him to a home under construction nearby where workmen have a phone.

CAR ABANDONED

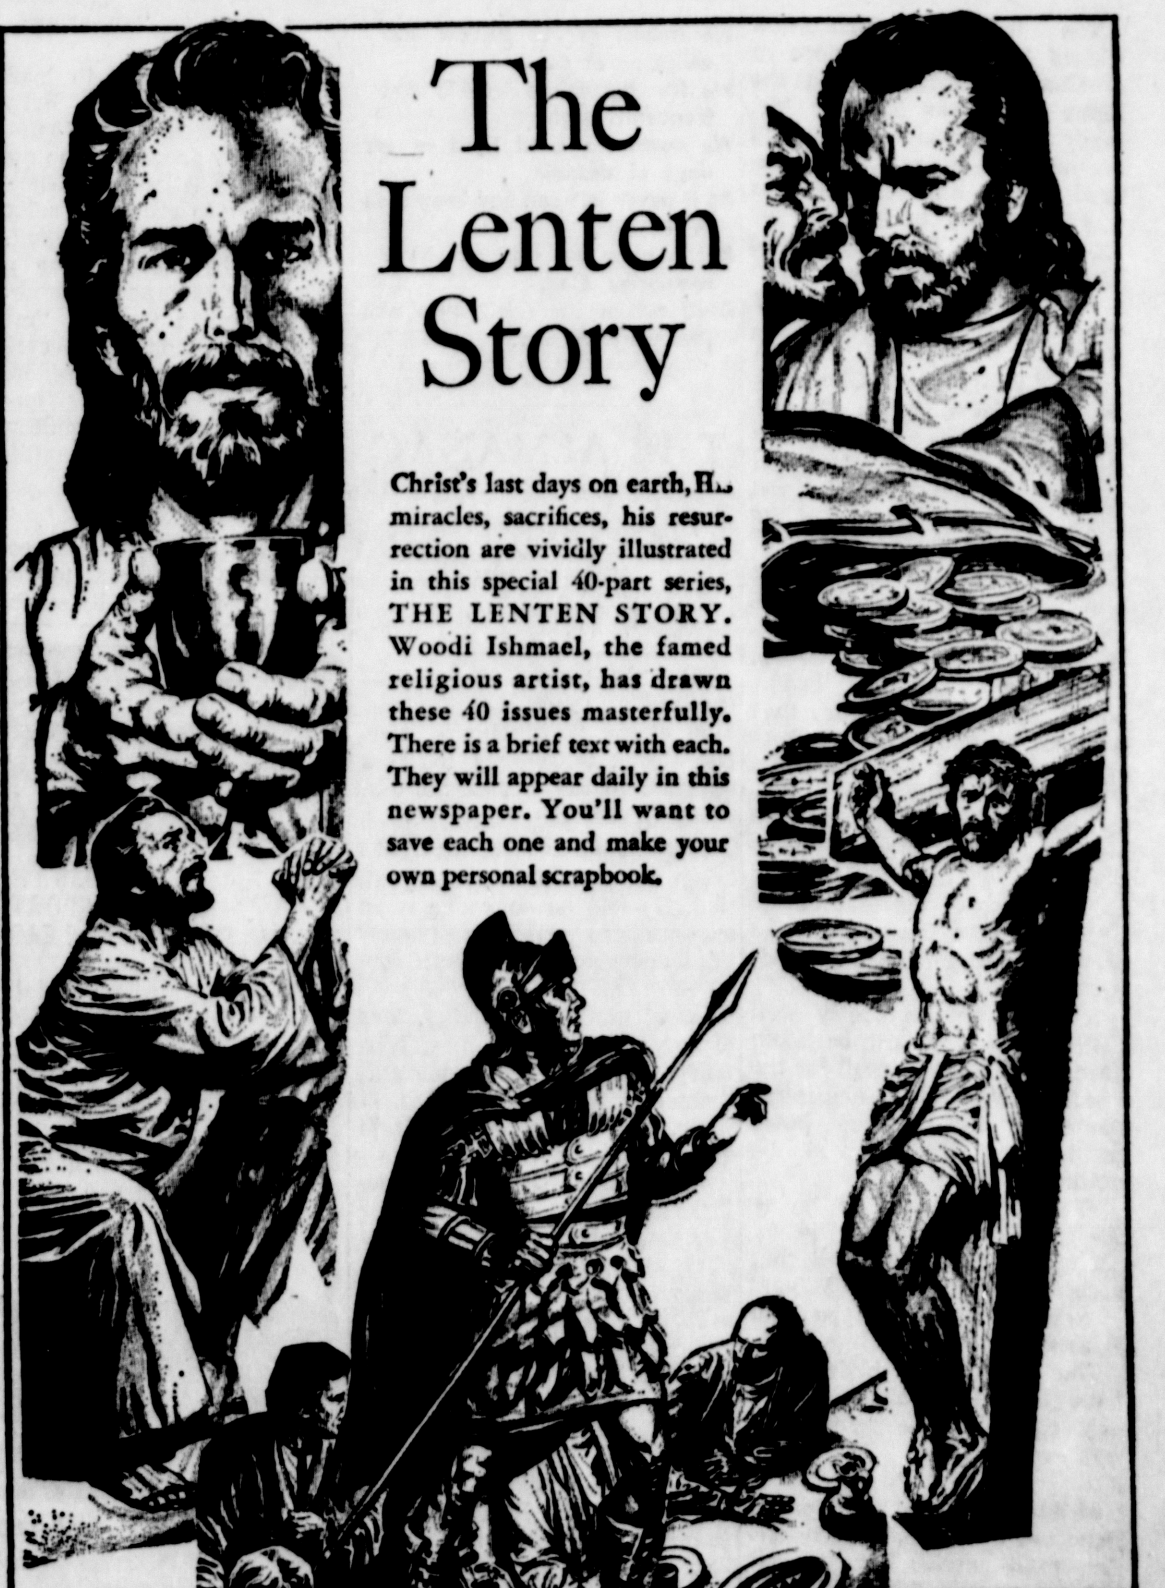

Lurwick started in that direction, but coming upon the home of Mrs. Miller first stopped there and asked permission to phone police. Mrs. Miller also told police the Allentown man was much agitated.

At that time he assumed the unknown passenger had stolen his car.

Upon his return to where the car had halted Lurwick found it parked there, but with the ignition keys gone. The gunman had also vanished.

Local state police contacted Bethlehem and Allentown police to make investigations in their areas in the attempt to locate the mystery gunman.

### TEN YEARS AGO

"Peace Angel" Is Selected:  
Lou Ann Dulaney, pretty 19-year-old Gettysburg College freshman, has been elected to represent the "symbol of world peace" in the finale of the Exchange Club comedy-musical, "You Can't Beat Fun," playing Tuesday and Thursday at the Gettysburg High School auditorium.

Announcement of the selection was made by Mrs. Augusta Phelps Munro, director, who said the choice of Miss Dulaney was prompted by her "popularity, natural charm, and beauty of person and character."

Miss Dulaney, daughter of Mr. and Mrs. Ernest Dulaney, 154 E. Middle St., is a 1952 graduate of Gettysburg High School. She is an economics major at the college and plans to pursue a career in social work after her graduation.

Miss Dulaney is the elder of two daughters. Her sister, Pamela, 17, is a member of the Exchange Club chorus line "The Rockettes" composed of Gettysburg High School girls.

John D. Lippy Sr., 80, Retired Tailor, Dies Of Heart Condition: John D. Lippy Sr., 80, retired Gettysburg tailor and former exalted ruler of the Gettysburg lodge of the Elks who was in the men's clothing business here for a half century, died this morning at 9:45 o'clock at his home, 47 Chambersburg St.

One of Gettysburg's best known businessmen, he erected the building in which he died and which houses Lippy's store which he founded 59 years ago. He was active in Masonic circles and for more than a quarter century operated a fruit farm in Liberty Twp. near Zora.

The building which now houses Lippy's men's store at 47 Chambersburg St. and the Lippy Apts. was built by Mr. Lippy in 1903 and he conducted his business there until he retired in 1940 when the business was taken over by his younger son, Radford H. Lippy, who had been associated with him in the business for a number of years.

**Co. Library Will Give 100-Yr.-Old Building Away:** The Adams County Free Library has a century-old relic it would like to give away — the red brick building to the east of the main library building on E. High St. It can be had without cost if its new owner will remove it from the library property within the next two weeks. The 20x65 one-story brick; frame and steel structure that for decades quartered the sheriff's horses and buggies while what is now the library was the county jail is not only useless now but it interferes with library plans for developing a parking area at the rear of the library and for landscaping the section on which the old building stands.

It might yet do pretty well if there were horses to be taken care of but it's too small for the library bookmobile — and much too small for the new bookmobile the library will be getting this spring.

The library board is trying the same method it used to get rid of the high stone wall that once enclosed the big jailyard — you can have it if you haul it away.

The old stable is believed to have been built about a century ago when the former jail was erected.

## Today's Talk

### DIGNITY

Dignity is something that is not only inborn, but something that is the clue to much that a human being is in all that he does and thinks.

No matter how stressing an emergency may be, or how one may be called upon to endure hardship, poverty, or abuse, one of the strongest defenses is that of dignity. The outstanding trait of both Washington and Lincoln was that of dignity.

Just the moment that anyone loses one's dignity — be it ever so brief — that moment one dispenses with some of one's power and influence. Unfortunately, you can't just pick up the dignity that you drop in the presence of another, as though it were a garment!

Underneath dignity is innate pride, a certain sureness, and an unbending faith. It's something that gives substance to character, and which invites faith from others. It is always unfair and even tragic, to assault the dignity of anyone. To do so is to part with what dignity you own.

In the animal world, you find dignity, as well as among human beings. Take the big dog for example. He pays no attention whatever to the snapping small dogs that often pester him at his heels. On he walks with dignity! But he will defend that dignity with one of his peers.

Dignity is sometimes confused with snobishness. The two have nothing in common. There is no excuse for the latter. There is something noble and apart to dignity. People tie it to as they do to honesty, and sincerity.

There is a dignity to old age that is not to be found in youth. It comes with maturity of mind and after much contact with the diverse elements of human life. Experience gives to it color and richness, furnishing it with all its attractiveness.

I like to think of the dignity of Christ before Pilate, of Grant and Lee at Appomattox, of Washington at Valley Forge, and of Lincoln at Gettysburg. Trace dignity to its source and you will find a big soul there!

## Just Folks

AT THE END  
In spite of the burdens that trouble us all,  
in spite of life's sorrow and anguish and care

There is always some glorious day to recall,  
There is always remembrance of happiness rare.  
However we grumble at life we still own  
Some memories pleasant we're glad to have known.

Something of life has been tender and sweet;  
Some friends we've loved have been gentle and true;  
In spite of the trials we all have to meet,  
in spite of the difficult tasks we must do,  
Still something of beauty and splendor remains  
To comfort the heartaches and pay for the pains.

We mourn in our sorrow and whimper at care,  
We fret through a trouble and frequently sigh;  
We doubt the good Lord in our days of despair,  
As if never His sun had been seen in the sky.  
But always we find we have memories glad,  
Built out of the friendships and joys we have had.

## Littlestown News

### SPECIAL SALE DAYS WILL BE HELD FEB. 21-22

**LITTLESTOWN** — The retail merchants will conduct special sales in commemoration of the 100th anniversary of the incorporation of the borough and Washington's Birthday on Friday and Saturday, Feb. 21 and 22. Final plans for the event were outlined at a meeting of the retail merchants committee of the Chamber of Commerce Thursday evening at the Community Center.

Twenty-four local merchants will participate in the event. Awards totaling \$400 will be given by the merchants and Chamber. Gift certificates will be given by the merchants and a savings bond will be awarded by the Chamber.

President Bernard Stahley was in charge of the February meeting of the Carroll-Adams Riding Club Thursday evening at "Sunset Hill Farm," near town. Gordon Warner, delegate to the Littlestown Community Center Group, reported on the recent meeting there. President Stahley, Wilmer Barnes and Mr. and Mrs. Melvin DeGroot will attend a meeting of the Pennsylvania-Maryland Horse Show Circuit next Wednesday in Waynesboro. Routine reports were heard. Refreshments were served by Norman Fritz Jr. The club will meet March 5, when the social committee would include Mr. and Mrs. Wilmer Barnes. Preliminary plans will be made for the annual spring horse show in May.

**SPECIAL PROGRAM**  
The secondary special education class of Littlestown High School presented an assembly for the junior high students on Thursday afternoon. The theme of the program was "Rainy Day Magic Show," under the direction of Miss Beverly Ritter, class teacher. Grace Reinhold introduced a series of 11 tricks as they were performed by Diane Messinger, LeRoy Weaver and Carroll Schaeffer. The stage crew and others participating in the program were: Diana Holt, Robert Messinger, Sylvia Noble, Treva Lippy, Allen Mundorff and Barry Rhodes.

## REDS PROTEST PEACE UNIT IN CYPRUS CRISIS

**NICOSIA, Cyprus (AP)** — The Soviet Union has injected itself directly into the Cyprus crisis by warning the United States and Britain to keep their hands off the strife-torn island. While his ambassador called on President Archbishop Makarios in Nicosia, Soviet Premier Khrushchev took up the Cyprus issue in Moscow Friday, describing a proposed North Atlantic Treaty Organization peace force as "an armed invasion."

In identical notes to leaders of the United States, Britain, France, Greece and Turkey, Khrushchev accused some members of the Atlantic alliance of attempting to prevent a solution by the U.N. Security Council. Khrushchev termed the proposed 10,000-man temporary peace keeping force a "crude encroachment on the sovereignty, independence and freedom of the Republic of Cyprus, an attempt to place this small neutral state under the military control of NATO."

**REDS CONCERNED**  
He said the Soviet Union could not remain indifferent to developments so close to its southern borders.

**KENNEDY-MALAYSIA:** Atty. Gen. Robert F. Kennedy says the Malaysia dispute is now up to the countries involved and "the role of the United States is complete."

Kennedy spoke to newsmen Friday after he briefed the House Foreign Affairs Committee on his recent peacemaking trip to the Far East, on which he visited heads of state in the Philippines, Indonesia and Malaysia.

**WHEAT:** The Commerce Department has approved export licenses for shipment of another \$10 million worth of wheat to Russia and East Germany. The department also approved an export license for shipment of \$663,000 worth of soybean meal to Hungary.

Soviet Ambassador Pavel Yermoshin delivered another Khrushchev message to Makarios, but a spokesman for the Greek Cypriot leader refused to divulge its contents. Although he has expressed willingness to accept a foreign police force on the island, Makarios wants the troops under U.N. control. The United States and Britain have rejected this condition because they regard it as an opening for Soviet interference on Cyprus.

## TWO ARMY MEN TIE MARKS IN FRIDAY GAMES

**PHILADELPHIA (AP)** — A couple of U.S. Army swiftness who equaled Olympic champion marks and a one-time Marine have given a new boost to blossoming American Olympic hopes. Army enlisted men Roy Hicks and Mel Pender, escaping at least briefly from the shadows of Hayes Jones and Bob Hayes, flashed to meet record-equaling victories in the Philadelphia Inquirer Games Friday and La Salle's John Uelses, soared again into the 16-foot stratus. Uelses, who became the first man ever to pole vault 16 feet when he was competing for the Quantic Marines, set a meet record of 16-1 in something of a personal comeback before a sellout Convention Hall crowd of 10,650.

It was the first vaulting attempt since he suffered a minor muscle tear while competing in Toronto two weeks ago. At the time, there was no indication how long he might be out.

**FAIL 16-5**  
Uelses floated over 16-1 on his first try and, along with Villanova's Rolando Cruz, ordered the bar lifted to an American indoor record, 16-5.

Cruz, who cleared 16-1 on his second try and took second when it was all over, missed three times at the record height. Uelses, however, skipped his first two vaults at that height, then brushed off the bar on his one attempt.

Both surpassed Cruz' old meet record of 16-04, one of four meet marks wiped out. The others included P.A. Traynor of the Delaware A.A. in an 8:52.6 two-mile run, Charley Mays of New York in a 49.7 440-yard dash and a 7:38.2 two-mile relay by Seton Hall.

Two of the marks with the greatest Olympic potential, however, could have been the meet record-equaling times of 5.2 by Pender in the 50-yard dash and the 6 flat 50-yard high hurdles by Hicks.

## KEANE CLAIMS CARDINALS TO BE BIG FACTOR

**By JOHNNY KEANE**  
Manager, St. Louis Cardinals  
**HOUSTON (AP)** — We were disappointed last season after making a run at Los Angeles but at the same time we were not dissatisfied with our over-all showing in 1963.

I sometimes am guilty of over-enthusiasm but never of exaggeration and I am looking forward to the coming season with enthusiasm. I'm convinced the Cards will be a big factor in the National League pennant race. Hardly anyone expected us to do as well as we did last year. I'm proud of the team which won 19 of 20 in one stretch in September.

### PRESSED DODGERS

We gave the Dodgers a good run for it. Walter Alston's team won, ultimately, but it took a great team to beat us as the World Series proved.

We are going into 1964 more solid than we went into the '63 race although I would like to have another right-handed hitting outfielder.

One big reason is the development of Tim McCarver into one of the best catchers in the big leagues. Last spring catching was one of our big problems and Tim was still a question mark. Now he's established. We acquired Jim Coker, a right-handed hitting catcher to back up McCarver. We had no right-handed hitting catcher at all last season.

### INFIELD FIXED

All our infield positions are fixed. Bill White at first, Julian Javier at second, Dick Groat at short and Ken Boyer at third made up the starting infield for the National League in last year's All-Star game. I don't see how you can do better than that. The infield, of course, was the strong part of our club.

Dal Maxvill is a very capable utility infielder and will be helped by Jerry Buchek, who had a fine year playing shortstop at Atlanta.

The pitching, with Bob Gibson, Ernie Broglio, Curt Simmon, Ray Sadecki and now Roger Craig, who I think is a terrific plus, should be equal to any in the league, especially in depth. All are established.

### OUTFIELD WEAK

The outfield is somewhat of a question but the big spot in center field couldn't be improved upon. Curt Flood answers all the questions there. Stan Musial is gone and we'll miss him in many ways. Musial's retirement, however, gives more of a chance to our younger players.

Charley James figures to earn one of the regular outfield spots. The other spot is wide open with Doug Clement, Gary Kolb, Mike Shannon and Johnny Lewis all capable and young.

## County Endorses Watkins Campaign

**CHESTER, Pa. (AP)** — The County Board of Republican Supervisors has endorsed former State Sen. Robert G. Watkins as the GOP candidate for congress from Delaware County in the April 28 primary.

Watkins, 62, won the endorsement over Rep. William H. Milliken of Sharon Hill, GOP incumbent, at a meeting Friday of the 14-man board. Milliken, reported to have lost favor with John J. McClure, head of the county GOP organization, has been circulating petitions for his renomination.

**LEWISTOWN, Pa. (AP)** — Mrs. Sue Fackler, 36-year-old Lewistown mother of four, was killed Friday when the car in which she was riding collided head-on with a tractor-trailer.

Injured critically in the accident on Route 22 was Jeffrey Goss, Lewistown, driver of the car.

State police said the car went out of control, skidded on wet pavement and ran into the path of the truck, driven by Mike Perum, 50, of Allentown. Perum was treated at the hospital for minor injuries and released.

The accident occurred near the Mifflin-Juniata County line.

## LAKERS LOSE 7TH OF EIGHT IN PISTON CLASH

**By THE ASSOCIATED PRESS**  
Coach Charley Wolf of the lowly Detroit Pistons has shaken up his lineup, but it's Los Angeles that should be shaking. Wolf, angered at lackadaisical play of his National Basketball Association team, benched veteran Don Ohl altogether Friday night as the Pistons whipped the Lakers 111-103.

That was the seventh loss in the last eight games for Los Angeles, which dropped into a second-place tie with St. Louis.

In other games, Willie Naulls sparked Boston to a 135-112 triumph over New York and Cincinnati overcame Philadelphia 126-114 behind the scoring of Oscar Robertson and the rebounding of Jerry Lucas.

### JERRY WEST OUT

Los Angeles knows what is wrong with its play. Jerry West isn't in the lineup. He hasn't been for about two weeks.

The Lakers didn't score for nearly four minutes while the Pistons built an 8-0 lead. Elgin Baylor tallied 24 points in the first half, but the Lakers trailed 52-47 at the half.

Baylor scored 40 points in all. Bailey Howell had 30 and Ray Scott 26 for Detroit.

Boston held its 3½-game Eastern Division lead over Cincinnati as Naulls came off the bench and scored 27 points, 21 in the first half. Naulls' proficiency helped the Celtics take a 70-49 halftime advantage.

### SCORES 24 POINTS

Sam Jones pitched in 26 points for Boston while Johnny Egan had 28, a career high, for the Knicks.

Lucas snared 33 rebounds, tying his own club record, in Cincinnati's victory. He also scored 24 points and helped Robertson lead the offensive attack. Oscar tallied 42 points.

The Lucas-Robertson combination overhauled Philadelphia which led 66-58 early in the third quarter. Hal Greer scored 25 points for the 76ers.

## Flynn's Long Shot Gives Warriors 39-37 Thriller On Shippensburg Floor

Mike Flynn's long set shot with three seconds of play remaining gave the Gettysburg High School cagers a thrilling 39-37 come-from-behind victory at Shippensburg Friday evening before a capacity audience.

The score was deadlocked at 37-37 with 1:34 left with the Warriors in possession. Coach Merrill Eckhart ordered his cagers to play for one shot and they moved the ball about without Shippensburg making an effort to secure possession for fear of committing a foul. Finally the clock showed three seconds left and Flynn cut loose with a beautiful shot from near mid-court which swished the cords just before the final whistle sounded.

It was the 14th win in 15 starts for the Warriors and keeps them in a four-way tie for second place in the Blue Mountain League, one game back of East Pennsboro.

### TRAIL AT HALP

The Warriors trailed most of the game and were down by eight points at half time 25-17.

Shippensburg had its biggest lead at 30-21 midway in the third frame and then the Warriors began to make their move. Flynn, who finished with 13 points, netted a goal and a pair of fouls before Kimber Marks looped a foul for the Greyhounds. A pair of fouls by Bob Deitz and a goal by Flynn slashed the Shippensburg edge to 31-29 going into the last frame.

Rad Schultz's set shot tied the score for the Warriors to start the fourth period. Marks and Dick Finkbner matched goals and then the Hounds swept ahead 37-33 on a layup and jumper by Joe Sheeler. Deitz landed a jumper and then Eddie Tilberg knotted the score at 37-37 with another jump shot. Then the Warriors went into their "try-for-one-shot" and set the stage for Flynn's game-winning toss.

Flynn and Tilberg took up the scoring slack when the other Warriors were stopped and netted 13 and nine points. Sheeler led Shippensburg with 14.

The Warrior reserves dropped their fourth straight in a nip and tuck preliminary 31-30, the score being tied at the end of each of the first three periods. Denny Herring and Bob Teeter accounted 13 and 11 tallies for Gettysburg. Poe looped 16 for the Hounds.

Camp Hill, one of the four teams in a deadlock with the Warriors for second place in the BML, will come here for an important game Tuesday evening.

Bigler Junior High made a great second-half comeback but could not make up a 15-point half-time deficit, as they dropped a 26-21 decision to Boiling Springs Junior High Friday afternoon at Bigler.

Bigler trailed 21-6 at intermission but came out and played a much improved brand of ball in the second half. Their rebounding, led by Wychoff and Grim, and their hustle sparked the comeback. Wychoff led all scorers with nine points.

Boiling Springs also won the preliminary game, 33-15, as both Biglerville teams are still seeking their initial victories of the season. They varsity will try to get their first win when they travel to Littlestown on Tuesday afternoon.

Don Bickel's Gettysburg Junior High dribblers pulled a big upset here Friday evening by coming from behind to nip Chambersburg Central 32-29 in a South Penn Junior High League game.

The defeat knocked Central from first place in the league and also snapped a seven-game winning streak of the Gladiators.

Gettysburg is now 4-4 in the league and 5-4 overall. Central is 9-2 overall.

After trailing 16-12 at half time, the Braves edged ahead 20-19 at the end of three periods. The final period was nip and tuck with Central leading 26-25 late in the round. Jim Cullison knotted the score with a pair of fouls. Jim Allison and Dan Bream followed with goals as the best visitors could do was as foul by Gary Linn.

### SCRUBS KEEP GOING

Gettysburg's undefeated jayvees extended their streak to eight by drubbing their opponents in the preliminary 37-22, breaking the game wide open with an 11-1 advantage in the third period.

Mike Varian collected 16 points in leading the winners while Taylor looped 11 for the losers.

## College Runners Win Gold Medal

Gettysburg College captured a gold medal in the Philadelphia Inquirer games on Friday. The two-mile relay team finished first in their section of the two-mile relay event in the time of 8:07.2.

The Bullet team consisted of Roger Mahorn, Chris Hayden, Jerry Staub, and Bob Linders. CCNY finished second to the Bulls, while William and Mary copped third place. Queens and American U. also competed in the event.

Gettysburg also entered Jim Lombardi in the two-mile run, and Dale Boyd and Connie Snyder in the 50-yard dash, but they all failed to place in the top five of their event.

## JOEY ARCHER HAS TROUBLE BEATING MIMS

NEW YORK (AP)—Contender Joey Archer hopes middleweight king Joey Giardello was watching the fight on television Friday night when he barely beat aging Holley Mims on an unpopular split 10-round decision at Madison Square Garden.

"I was sluggish and slow and got nailed too often with rights," said the handsome, 25-year-old New Yorker. "Mims is real cute and I learned plenty from him. Maybe if Giardello was looking in he'll give me the title fight."

"Yeah, Joey gave him the invitation all right," said Jimmy Archer, a one-time fighter who manages his brother. "He gave him the invite by sticking his chin out to some of those right hand punches."

They were hoping that the Garden would offer Giardello \$100,000 again for a title fight. The Garden, however, offered Archer, the No. 2 contender, a return fight with unranked Mims in March instead.

"That's okay with me," said the disappointed Mims. "I beat Archer even if I didn't get the decision. But that's an old story with me."

Mims must hold the record for losing split decisions. His record is 58-25-6.

## ORIOLES EYE BILL VEECK

BALTIMORE (AP)—Bill Veeck, former owner of three major league baseball clubs, says he has been approached by a Baltimore Orioles stockholder about running the club.

Veeck hinted he was "casually interested" in the Orioles, but then added, "at one time, I very much wanted to move here, but the bloom now is off the pumpkin."

The colorful, controversial Veeck declined to name the stockholder, but it was apparently his friend, Jerold Hoffberger, one of the three major stockholders but not a member of the Board of Directors.

"Baltimore is and was a town of tremendous potential which has never been utilized or worked over," Veeck told the Baltimore Sports Reporters at a meeting which was taped for later showing on television.

At half time the Mount led 32-26 and the Tigers slashed the advantage to two points early in the second half. Midway in final round the Mountaineers moved to a six-point advantage and then pulled away in the closing minutes.

Jim Phelan's outfit, winning their 12th game in 16 starts, connected on 24 of 71 shots from the field while the Tigers made good on 20 of 67.

## LOURDES TOPS DELONE 78-53 IN LOOP GAME

Delone Catholic tried to stop Lourdes and its league-leading scorer, Fran Duncheskie, with a 2-3 zone defense, but Lourdes sank 50 percent of its shots and Duncheskie scored 25 points as the Squires went down to a 78-53 defeat in a Central Penn League game at Shamokin Friday evening.

Lourdes jumped out to a 22-12 lead at the end of the first period and increased it to 36-24 by halftime. A highlight of the first half was the defensive play of Dennis Preslock. He held high-scoring Jim Roth to one field goal. Lourdes then pulled away from the Squires in the second half and held a 60-40 lead at the end of three periods.

Ed Moroz aided Duncheskie with 16 points and Preslock chipped in with 12 for the Raiders. Roth ended the game with 11 markers, as did Phil Staub for the Squires.

The Delone JV's dropped a heartbreaker in the preliminary contest, 44-42. It marked the second time this year that the Baby Squires lost to Lourdes JV's by a two-point margin.

The Squires return to action on Tuesday evening when they travel to Lebanon to meet the Beavers of Lebanon Catholic in another league encounter.

## More Farmers Are Using Penn State Forage Tests Says County Agent Piper

BY THOMAS E. PIPER  
Adams County Farm Agent

An ever-increasing number of farmers are using the Penn State Forage Testing Service. Last year 17 per cent more samples were analyzed and 25 per cent more feeding programs were developed. So far this year the number of samples processed has jumped an amazing 90 per cent over figures for a year ago.

Apparently, the DHIA-FT program, which provides dairymen with grain feeding recommendations for individual cows each month, is largely responsible for the increased forage testing activity. Also, more and more farmers realize the value which this program offers them.

Dairymen want feeding suggestions based on more than thumb rules because they know how much it can mean to them in terms of more efficient production, herd health and returns. Grain feeding levels as well as protein, mineral and vitamin needs constitute only a part of the information available. Dry and fresh cow feeding schedules, guides for feeding young stock, forage feeding suggestions and recommendations related to herd health and milk test problems also are included. Grain mixtures are formulated when it is more economical to use a home or custom mix. Feeding programs are developed for other livestock including beef, sheep, swine and horses.

### CONSIDER PROGRAM

If you have not yet given this program a try, you should consider doing so in the near future. The use of pastured and green-chop codes makes forage testing a year-round program. It is of special benefit to farmers who are short on feed. Forage testing and feed programming information is available from your county agricultural extension office. All seeds offered for sale in Pennsylvania must be labeled as to variety, kind, purity, germination percentage, and noxious weed seeds present.

Noxious weeds in Pennsylvania are: dodder, horse nettle, wild garlic, wild onion, perennial sow thistle, bedstraw, corncockle, buckhorn plantain (also known as ripple), and wild mustard. Limited amounts of these weed seeds are permitted. It is unlawful to sell, or offer for sale, any seed which contains any seeds of the prohibited weeds. Binweed, Canada thistle and quackgrass are prohibited weeds.

### SEND SAMPLES

Any Pennsylvania farmer wishing to sell homegrown alfalfa, clover or timothy seed must send a five-ounce sample, which represents each lot of seed to be sold, to the Seed Laboratory, Department of Agriculture, Bureau of Plant Industry, Harrisburg, for purity analysis, noxious weed seed examination, and germination test. The fee is \$1.50 for the purity and weed seed examination, and \$1.00 for the germination test, or a total cost of \$2.50. Allow 30 days for test results.

Samples must bear the name and address of the sender, name of seed and year grown, with a statement showing which tests are wanted. Make fee payment

by check or money order to the Commonwealth of Pennsylvania. Copies of the complete "Rules and Regulation under the Pennsylvania Seed Act" can be obtained by writing to the Seed Laboratory.

### RECORDS NECESSARY

A complete farm record is as necessary as your farm tractor if you are interested in satisfactory profits.

The high investments in agriculture make profitable decisions difficult. A complete set of records can be used to help determine whether costs will exceed returns on many investments. These records can help the farmer find the weak spots in his business. They can help him decide whether or not resources are being used profitably. If a good return is not being received for labor and capital, adjustments need to be made or a farmer may wish to consider other alternatives.

In addition to analyzing the business, good records can save dollars at income tax time. They also make tax filing an easier chore. It is easy to miss certain expense and depreciable items without complete records.

Your chances of obtaining needed credit is much better if you can show poor credit agency financial statement. It becomes more difficult to obtain credit without good records.

The time to start these records is early in the year. The Pennsylvania State University Farm Account Book is available at your county agricultural extension office. We also have information on Correspondence Course 117, which will help you keep this record. State 1964 with complete farm records.

## SEVEN ESCAPE BOMBER CRASH

FRESNO, Calif. (AP)—A B52 jet bomber, without bombs, crashed and exploded in a barley field in western Fresno County Friday night after its crew of seven parachuted to safety.

An eyewitness said the huge bomber appeared to glide between two farm houses 100 yards apart, clip a power line, ram through an irrigation canal levee and explode.

The bomber was based at Castle Air Force Base near Merced, Calif., 70 miles north of the crash scene.

The crash occurred west of the small farming community of San Joaquin, 23 miles southwest of Fresno.

Maj. Earl A. Tucher was at the controls of the craft when a fire reportedly broke out in the tail section.

The crew bailed out at an altitude of 23,000 feet after Tucher circled the plane away from San Joaquin.

The men landed within a 20-mile area and were picked up by Highway Patrol officers and sheriff's deputies.

Col. James Reardon, commander of the 93rd Bomber Wing at Castle, said none of the crew was seriously hurt.

## SUGAR BEETS TO BE TESTED IN YORK CO.

John T. Smith, York County farm agent, is planning experiments to begin in May to determine if sugar beets can be produced profitably in the county. He is acting at the suggestion of two officials of the Conservation Society of York County.

Smith said there are a number of serious questions to be answered before "we go rushing into this thing."

W. Frank Dummer, Thomasville R. 1, who described himself as a retired farmer and a member of the board of directors of the society and G. Harold Conrad, the society's executive director, have conferred with Smith on the project.

### "TRY IT AND SEE"

Dummer said he learned of sugar beet production while visiting a friend who farms near Omaha, Neb.

Conrad said he thought of the idea as a solution to what he called the "expansion of Communist influence in Latin American countries." Much of the sugar used in the United States comes from Latin America.

Smith said he would neither express optimism nor pessimism over the idea. "All we can do," Smith said, "is try it and see."

Smith then listed what he considered to be the "problems" involved in possible widespread growing of sugar beets here.

To begin with, Smith said, "we don't know whether we can get a high enough yield from each beet to make it worthwhile. The farmer would not be paid on the basis of the tonnage of beets per acre, but on the basis of the amount of sugar produced."

A 20 per cent sugar yield per beet would be ideal, Smith said, "but we don't know if we can get that."

### PROCESSING COSTS

The cost of processing is the second big problem if York County sugar beets had an acceptable sugar yield, said Smith.

It was also pointed out that most sugar beet processors are where there is irrigation so that water content of the beets can be controlled.

Smith also raised a question about government quotas for sugar beets and described the competition for them as "fierce."

## LAWYER SAYS AGENTS UNFAIR IN DRUG PROBE

CHICAGO (AP)—An attorney for the discoverer of Krebiozen, a controversial cancer drug, contended Friday that government inspectors have used "doctored and distorted photographs" in attempting to brand his client as a quack.

The attorney, Solomon H. Friend of New York, said at a U.S. District Court hearing that Food and Drug Administration inspectors harassed Dr. Steven Durovic and acted unfairly in gathering information on Krebiozen.

Friend is seeking an order to end the alleged harassment. The attorney said he does not object to government inspectors "but the right to inspect the factory is not a license to commit fraud. Certainly it is not an authority to track a man to his home and lurk in hallways, causing apprehension to his family."

### MISREPRESENTED PHOTO

Friend said an FDA inspector took a photograph June 8, 1963, of Durovic pouring liquid from a bottle marked "distilled water" into a Krebiozen ampule. The attorney argued that the government attempted in press releases to demonstrate that Durovic's actions marked him as a quack.

The incident photographed, Friend said, was a mock demonstration of the method of filling the capsules.

Judge Michael L. Igoe said he will issue a ruling on the suit within 20 days.

The FDA last year identified Krebiozen as a common amino acid and ineffective in treating cancer. It has been barred from interstate shipment.

A/C James Cashman has been sent to Africa. He was stationed in Germany. His wife, the former Mary Group of Gardner R. D., has been with him in Germany since November, 1963.

## Longer Jackets, Blazer Look Seen In New Suits

MRS. HELEN D. TUNISON  
Extension Home Economist

Two major trends will be prominent in spring suit styles. One will be the natty blazer look that ignited the fashion world at Chanel's

showing; the other, longer jackets. Influences of the blazer will be noted in suits, coats, and costumes. Double-breasted versions will closely resemble the Chanel original, and single-breasted versions will capture the same classic mood.

Also popular are blazer details, such as neatly notched collars, polished brass buttons, and flapped pockets.

Jackets have gradually become longer. The result will be suits that look like suits; not dress and jacket combinations. The longer line is easy and relaxed. Curving the seams on the new length jackets results in a popular modification, known as the "riding-jacket" look.

## JUDGE KEEPS REDISTRICTING RECORD OPEN

HARRISBURG (AP) — Commonwealth Court is leaving the record open for possible further evidence in a preliminary hearing on a suit which seeks to wipe out state constitutional provisions on legislative reapportionment.

Attorneys for the plaintiffs and the Commonwealth completed their cases Thursday, but Judge James S. Bowman said he may call for additional presentations at a later date.

Bowman is under direction of the State Supreme Court, which has assumed original jurisdiction in the case, to make findings of fact and return them to the high court as soon as possible.

### CALLS DISCRIMINATORY

The suit, filed by Donald Rubel and Anne McKinley, employees of the Philadelphia Committee of 70, contends that a provision of the state constitution limiting Philadelphia to eight senators is discriminatory.

It also attacks reapportionment of the House and Senate by the 1963 Legislature and seeks to prevent legislation from being held under that act.

Two Philadelphia political science teachers, called as expert witnesses, disagreed whether the present constitution is fair regarding legislative apportionment.

FAIRFIELD — Mr. and Mrs. George Worts of Leesburg, Va., spent Sunday visiting with Mr. and Mrs. Ray Sites and Harold Worts.

Mrs. C. E. Wilson and Miss Ethel Allison spent Sunday visiting with their brother-in-law and sister, Mr. and Mrs. Robert McCullough of Falls Church, Va. Miss Helen McClellan, Mrs. J. Warren Martin and Mrs. Charles S. Taylor were high and low scorers of the local bridge club which met Monday evening at the home of Mr. and Mrs. C. E. Wilson.

The club will meet in two weeks at the home of Mr. and Mrs. Robert Musselman, 100 Gordon Avenue, Twin Oaks.

Mrs. Clara Hardman, proprietor of Dolly's Beauty Shop, attended the hair style show Monday at the Holiday Motel.

Cadette Girl Scout Troop 757 met at the home of Mrs. Charles S. Taylor for a review of sports badge requirements and completion of other badges still pending. Mary Ann Kittinger received her Magic Carpet Badge. Linda Ickes gave a report on the history of the community which she will complete at our next meeting.

Girls who neglected to pick up their March of Dimes boxes are asked to deliver them to the leader's home before the next meeting.

Girls will leave promptly at 12:30 o'clock this afternoon to go bowling.

James Landis' boys club members Ronald Schultz, Ronald Willett and Tom Kittinger spent Sunday in Washington, D. C., where they visited Arlington Cemetery and attended the auto show. Mr. Landis visited Mrs. Hazel Minter and Mrs. Beatrice Potts of Silver Spring, Md.

The Fairfield Alumni held their night of games on Wednesday evening in the High School cafeteria. Movies were shown to the children. Robert Gilmore won the door prize which was a basket of assorted fruit. A profit of \$125 was cleared from this event.

## DRUG INDUSTRY IS DEFENDED

PHILADELPHIA (AP) — Attacks on the drug industry are threatening the health of the American people, U.S. Sen. Hugh Scott, R-Pa., said Thursday night.

Scott prepared his remarks for the annual dinner of the Philadelphia drug industry. He was unable to attend the dinner because of a Senate vote on the tax bill in Washington, but he addressed the group by telephone direct from the Capitol. Scott said "what started as an examination began turning into a wholesale condemnation of the drug industry."

He said he supported the 1962 congressional probe of the laws governing the safety and use of drug products. He said he voted for legislation to protect Americans from carelessly manufactured drugs.

"Today one of the most serious threats to the health of the American people comes not from some rare bacteriological epidemic, but rather from the 'political epidemic' of attacking one of the most vital industries of America," he said.

Letter received by a congressman from a man in his district: "Please don't improve my lot in life any further. I can't afford it."

PA. HISTORICAL COMMISSION BATTLES CUT

HARRISBURG (AP) — The Pennsylvania Historical and Museum Commission says the Scranton administration is giving it a "starvation" budget for fiscal 1964-65.

"Unless some increases are made in the funds allocated by the budget office, we are going to be completely stymied," declared Dr. S.K. Stevens, executive director of the commission.

Stevens testified Thursday at legislative hearings on the Scranton administration's proposed \$1.168 billion spending program for fiscal 1964-65.

The Historical and Museum Commission is earmarked for \$1,274,813 in the record budget. Stevens said the request was for \$1,848,605.

"PRETTY SEVERE CUT"

"This is a pretty severe cut," he told the House and Senate Appropriations Committees.

Thursday's testimony wound up the third week of hearings on the budget proposals. Rep. Blaine C. Hocker, R-Dauphin, chairman of the House Appropriations Committee, has recalled the Department of Public Instruction for next Tuesday to complete the hearings.

Stevens termed the 1964-65 budget one of the most crucial for the Historical and Museum Commission because of the many new museums, improvements and restorations planned.

MAJOR ITEM

The major item, he said, is the opening of the new William Penn Memorial Museum and Archives building in Harrisburg.

Other plans call for the completion of the new Drake Well Museum at Titusville and restoration of Old Economy at Ambridge.

"We think these developments in new museum and historic sites are not only a contribution to citizenship and the education of people, but they are also basic to the Pennsylvania tourist industry. They are an investment of General State Authority funds approved by preceding legislatures, and we think they are an obligation now to support in terms of their proper operation. Their proper use means income to the state through more and better tourist attractions," Stevens maintained.

Former pitcher Walter (Dutch) Ruether scouts for the San Francisco Giants.

TODAY In History

By THE ASSOCIATED PRESS

Today is Saturday, Feb. 8, 1964. There are 327 days left in the year.

Today's highlight in history:

On this date in 1250, the Crusaders, led by King Louis XI, were defeated in the Battle of Mansura, Egypt. King Louis was captured.

On this date:

In 1793, Congress set the salary of the president of the United States at \$25,000 a year.

In 1837, Richard Mentor Johnson became the first vice president elected by the Senate since no candidate received a majority of the electoral votes.

In 1910, the Boy Scouts of America was incorporated.

In 1949, the Communist government of Hungary sentenced Josef Cardinal Mindszenty to life imprisonment.

Ten years ago—Former Democratic Rep. Joseph Casey of Massachusetts and international shipping figure Aristotle Onassis were among eight persons indicted in Washington on charges of conspiring to defraud the U.S. government.

Five years ago—The director of the Office of Strategic Services during World War II, Maj. Gen. William (Wild Bill) Donovan, died in Washington at the age of 76.

One year ago—The Iraqi government was toppled, Premier Abdul Karim Kassim was executed, and Col. Abdel Salam Arif was named provisional president.

Son Is Born To Mexican Girl, 10

MEXICO CITY (AP)—A 10-year-old girl gave birth to a son Thursday night, a spokesman for a government health ministry hospital said.

The spokesman, Dr. Manuel Tenorio Ojeda, said the baby, a boy, was suffering from severe respiratory difficulties and was placed in an incubator without being weighed.

He said the mother was Maria Sanchez Gonzalez, a servant, and the father was unknown.

**MINISTER RESIGNS**

BONN, Germany (AP)—President Heinrich Lübke accepted on Friday the resignation of Hans Krueger as West German refugee minister.

Krueger submitted his resignation after Communist East had committed war crimes while serving as a Nazi official in occupied Poland during World War II.

"HILLBILLIES" AIM AT LAUGHS AND NO MORE

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP) — "The Beverly Hillbillies," in its second season as the most popular television program on the networks, is "pure escape, just for laughs," in the words of Paul Henning who dreamed up the whole show.

"I'd finished up five years of writing 'The Bob Cummings Show,'" Henning recalled, "and spent the next two months driving 14,000 miles around the country. That was in 1959, and I was finding television drama depressing—everything seemed to start with mayhem and then get worse."

"I decided that if I ever did another TV show, it would be for the people who live in Kentucky, Iowa, Illinois, Virginia—all those places between the two coasts where people don't think they are sophisticated."

The success of the series The result has been a phenomenal success.

"It is just for amusement," he reiterated, "no messages, no illnesses, no violence, no rebellious kids—just simple good humor. And we've had literally thousands of letters that say in effect, 'Thank you for a half hour in which I could forget my troubles.'"

The success of the series made Henning TV's man of the hour, and this season he launched another series, "Petticoat Junction," also on CBS. And that comedy, less broad but still country-style, immediately became a hit.

**TIPS FOR WEEKEND**

Burr Tillstrom will be back on tonight's "That Was The Week That Was" on NBC. The puppeteer, not a regular member of the revue cast, has done its two most brilliant commentaries to date: a pantomime, showing only his hands and wrists, that demonstrated the tragedy of the Berlin wall in the premiere show, and a dialogue between a puppet Castro and Khrushchev in last week's program.

Recommended Sunday viewing: "Return to Oz," NBC, 5-6 p.m. (Eastern Standard Time)—cartoon musical based on the famous children's books; "20th Century," CBS, 6-7—tribute to song writer Harold Arlen; Ed Sullivan Show, CBS, 8-9—starring "The Beatles," English rock 'n' roll quartet; "White Paper," NBC, 10-11—documentary on the Cuban missile crisis.

**PRR Seeks Control Of Buckeye Pipe Co.**

NEW YORK (AP)—The Pennsylvania Railroad seeks full ownership of the Buckeye Pipe Line Co., which operates a 7,500-mile petroleum distribution network in seven states. Last November the PRR disclosed purchase of a 30 per cent stock interest in Buckeye. Under a plan announced jointly by the PRR and Buckeye Thursday, the railroad would acquire outstanding shares of Buckeye in other hands through a wholly owned subsidiary, the Pennsylvania Co.

RAP WALLACE FOR "ATTACK" ON U. S. JUDGE

PHILADELPHIA (AP) — A committee of some of the nation's outstanding lawyers has criticized Alabama Gov. George C. Wallace for his attack on U.S. District Judge Frank M. Johnson Jr. in a civil rights case.

The Lawyers Committee for Civil Rights Under Law said Wallace's attack was an "unwarranted and intemperate attack upon the very foundation of our legal system."

The committee has 200 members throughout the country. They include former U.S. attorneys general, deans of law schools, past and present heads of bar associations and other leaders in the field. It is headed by Bernard G. Segal of Philadelphia and Harrison Tweed of New York.

**IMPEACHMENT?**

Wallace criticized Johnson, of U.S. District Court in Montgomery, Ala., for ordering the transfer of Negro pupils to several white schools in Macon County.

The committee said Wallace termed Johnson's action "rash, headstrong and vindictive" and asked that the judge be impeached.

The committee said that when a governor makes an abusive personal attack on a federal judge and urges his impeachment and says he will resist the court's order, "The result can only be to induce contempt for our system of justice and may, as in the past, lead to renewed violence."

This is the second time the committee has criticized Wallace. The other time was last year when he tried to block the admission of Negroes to the University of Alabama.

PENN SUSPENDS SENIOR STUDENT

PHILADELPHIA (AP) — The University of Pennsylvania said it suspended one student and placed three others on conduct probation for holding out money collected while they worked on university parking lots.

The school declined to name the students. It said the suspended student was a senior in the Wharton School of Finance. Two of the students on conduct probation are seniors. The other is a sophomore.

Robert F. Longley, dean of men, said Friday conduct probation means the students will have to go home and report to their parents before returning to school.

The University Committee on Discipline, a student-faculty group, handed down the punishment.

Longley said the amount of money involved was not large. The university has about 40 students who help park cars during athletic events on campus.

HOPE TO FREE B. BECKWITH

JACKSON, Miss. (AP) — Defense lawyers prepared today for a legal fight to free Byron De La Beckwith on bond pending a new trial on a charge of murder.

Beckwith, 43, a segregationist, had confidently expected to stroll the streets of his hometown, Greenwood, this weekend. Instead he was still in a cell, astonished by a mistrial.

The all-white jury in the 12-day-old Circuit Court trial was dismissed Friday after reporting itself deadlocked. It had deliberated 11 hours.

Beckwith, who is white, was charged with gunning down Medgar Evers, 37, a Negro, state field secretary of the National Association for the Advancement of Colored People.

Mrs. Evers declined comment.

PRR Establishes Regional Bases

NEW YORK (AP)—The Pennsylvania Railroad is consolidating its present nine regions into three based at Philadelphia, Chicago and Pittsburgh, Stuart T. Saunders, board chairman said Friday.

Saunders told the New York Society of Security Analysts the three region plan would result in simplified and more efficient administrative units with less complicated lines of responsibility and coordination.

He said each of the regions will be divided into four operating divisions, based at New York, Philadelphia, Baltimore, and Harrisburg, Pa. for the eastern region; Pittsburgh, Altoona, Pa.; Cleveland and Buffalo, N.Y. for the central, and Chicago, Indianapolis, Fort Wayne and Columbus for the western region.

BOB KENNEDY SUMMONED IN HOFFA TRIAL

By GAVIN SCOTT

CHATTANOOGA, Tenn. (AP) —U.S. Dist. Court Judge Frank Wilson may decide over the weekend if Atty. Gen. Robert F. Kennedy should answer a defense summons in the trial of James R. Hoffa on charges of jury tampering.

Lawyers for the president of the Teamsters Union got subpoenas for Kennedy and two other top Justice Department officials just before court recessed for the weekend. The summonses climaxed a hectic day of name calling by the defense and a near fight between Hoffa and a U.S. marshal.

A Justice Department spokesman in Washington said the subpoenas were unnecessary.

"If the judge decides that the attorney general and assistant attorney general can contribute relevant testimony, of course they will be willing to go to Chattanooga without being subpoenaed," the spokesman said.

Subpoenas were issued for Kennedy, FBI Director J. Edgar Hoover and Herbert Miller, who heads the department's criminal division.

The defense wants Kennedy and the others to appear Monday for a special hearing on its charges that Hoffa and his five codefendants are being spied on by government officials here.

Wilson said he would study the matter during the weekend. Meantime, he said, Kennedy and the others need not heed the subpoenas "until further ordered by the court."

**PITTSBURGH (AP)**—A window washer was killed in a plunge from the sixth floor of the Clark Building in downtown Pittsburgh Friday. Wilbur L. Marple, 42, of suburban Wilkinsburg was pronounced dead at Allegheny General Hospital.

The defense wants Kennedy and the others to appear Monday for a special hearing on its charges that Hoffa and his five codefendants are being spied on by government officials here.

Wilson said he would study the matter during the weekend. Meantime, he said, Kennedy and the others need not heed the subpoenas "until further ordered by the court."

**PITTSBURGH (AP)**—A Somerset County girl, Debra Jean Kimmel, 6, of Berlin R. 1, who was hit by a car near her home Monday, died in Mercy Hospital Friday.

on the outcome.

Jurors packed their belongings as quickly as possible and left the courthouse. Judge Leon F. Hendrick urged them not to talk to anybody about their deliberations.

3,000, MOSTLY GIRLS, SHRIEK FOR BEATLES

NEW YORK (AP) — The Beatles, Britain's rock 'n' rollers with the haystack hairdos, blew up a teen-age storm by arriving here.

At Kennedy Airport Friday, about 3,000 delirious, shrieking, hooky-playing youngsters, many of them carrying Beatle banners, strained against police barricades to welcome the singing, guitar-strumming quartet.

It was mostly girls, girls, girls.

"I love them, I love them!" cried one.

"They're so cute!" said another.

"Their singing tears me apart and lets out all frustrations," sighed a Brooklyn girl.

**CANDY KISSES**

Pelted by jelly beans and candy kisses, all loving every bit of it, were Beatle Paul McCartney, 21; George Harrison, 21; Ringo Starr, 23, and John Lennon, 23. Lennon's pretty blonde wife, Cynthia, accompanied the group but stayed well in the background.

The Beatles, their records best sellers for months, were almost an American institution before they got here. Already on sale are Beatle wigs, boots, T-shirts, sweatshirts, toss pillows and scarves. In Britain, 20,000 rag-mop wigs have been sold.

**RECALLS SINATRA**

The adulation of the Beatles is reminiscent of the grip Frank Sinatra had on teen-agers some years ago and, more recently, of Elvis Presley.

But when a newsman described them as "four Elvis Presleys" the foursome shouted in unison: "No, no, no!"

The Beatles began their debut in a Liverpool jazz cellar 15 months ago for about \$20 a week. They now command \$10,000 a performance and are reputed to have earned \$17 million.

**ON SUNDAY TV**

Zooming into Manhattan, each in his own limousine, the Beatles created consternation at the staid old Plaza Hotel, where they're staying. There was a screaming crowd waiting there, and foot patrolmen and mounted troops had to take over.

The Beatles appear Sunday night on television. On Tuesday they go to Washington for a concert. On Wednesday they will give two shows at New York's Carnegie Hall—already sellouts. Another stop during their tour, which ends Feb. 17, is Miami Beach.

**PITTSBURGH (AP)** — Steven Schwager, 19, of suburban Mount Lebanon was killed Friday by a car which slipped from a bumper jack at a junk yard in nearby Kennedy Twp. Authorities said Schwager was buying parts and was removing a part from the auto.

28th Division To Train In Virginia

HARRISBURG (AP) — The 28th Infantry Division, Pennsylvania Army National Guard, will train in Virginia this summer for the fourth straight year, says Maj. Gen. Henry K. Fluck, division commander.

Gen. Fluck said the 11,000-man Keystone division will undergo active duty training July 11-25 at Camp A. P. Hill, near Bowling Green, Va., and Camp Pickett, near Blackstone, Va.

About two-thirds of the division, including infantry brigades and support units, will be located at Camp A. P. Hill. Armored and artillery units will go to Camp Pickett.

Some 1,500 military vehicles will comprise the scores of convoys carrying troops southward from every section of Pennsylvania.

## SENATORS TO QUIT CELLAR THIS SEASON

By GIL HODGES  
Manager, Washington Senators  
NEW YORK (AP)—The Senators are coming out of the American League cellar in 1964. I believe we can climb a notch or two. Especially if our pitchers deliver as I think they can.

We were a bad ball club last season. We made fundamental mistakes. Too many times we gave the opposition another run. We can't continue to make the same mistakes. We've got a job to do and I think we have the material to do it with. It's part of my job to give the fellows added confidence.

### SKOWRON TO HELP

The addition of Bill Skowron at first will make us a better club. I'm discounting his disappointing season with the Dodgers. He will help us to score runs and he'll tighten our defense. He gives us another sorely needed threat in the batting order.

We have an ideal leadoff man in Don Blasingame, who hit .315 the final five weeks of last season. He's valuable to us at second and his experience should be a big help to Ed Brinkman at shortstop.

Don Zimmer, at third, is a threat at the plate but he hurt us with his fielding last season. I've been around him long enough to know he's a better fielder than that. Young John Kennedy has an outside chance to supplant him. He batted .290 at Hawaii last year and I'm going to take a long look at him.

### A REAL COMER

I rate Don Lock, our center fielder, as a real comer. He should have a fine year for us. Chuck Hinton, our left fielder, can be as good as he wants to. He batted .310 in 1962 but slumped to .269 last year. I don't believe Chuck extended himself as he might have last season.

Jim King is a veteran who hit 24 home runs last season—more than any left-handed hitter in Washington history. I couldn't ask for a player to put out more but he needs an occasional rest. This will be supplied by Ken Hunt, who hit 25 home runs and batted in 84 runs with the Los Angeles Angels in 1961 before suffering a shoulder injury.

### HAVE THE ANSWER

Catching was a problem for us last season and I think we've found the answer in Mike Brumley, a .292 hitter with Spokane last season. He has been an All-Star catcher in the Southern Association, American Association and the Pacific Coast League for the past three seasons.

Our pitching could be surprising. I will be disappointed if Claude Osteen doesn't win 15 games. He's ready to arrive as one of the game's top pitchers. Tom Cheney is another who can be outstanding. He won eight games, four of them shutouts by last July 4, but didn't win another game because of arm trouble. Dave Stenhouse, an 11-game winner in 1962, also was bothered by arm trouble last year. Both should be fit.

Bennie Daniels, Jim Duckworth, Jim Hannan and Carl Bouldin are others who could grab starting jobs. Duckworth is

## Sentry Wounds Korean Youths

SEOUL, Korea (AP)—A U.S. sentry killed one South Korean teen-ager and wounded another Thursday when the two boys broke into a restricted U.S. Army compound.

A U.N. Command spokesman said the 17-year-olds used wire cutters to get through the fence and did not heed challenges in Korean and English and a warning shot.

The spokesman said the area was under guard to prevent pilfering.

## HOPE TO ALTER ISRAELI WATER

NEW YORK (AP)—The United States plans to work with Israel to find ways of using nuclear power to make fresh water out of salt water.

President Johnson announced the plans Thursday night, saying water "should never be a cause of war—it should always be a force for peace."

He apparently was referring to the Arab-Israeli dispute over Israel's plan to divert Jordan River water to the Negev Desert. The Arab nations met last month to map plans to counter the Israeli project.

Johnson made the announcement at the 18th annual dinner for the Weizmann Institute of Science, an educational center in Israel. It has long been exploring ways of desalinization.

He said the United States is "equally ready to cooperate with other countries anxious to cure water shortages."

The White House said the project would be the United States' first joint venture with another country in desalinization research.

## Taneytown

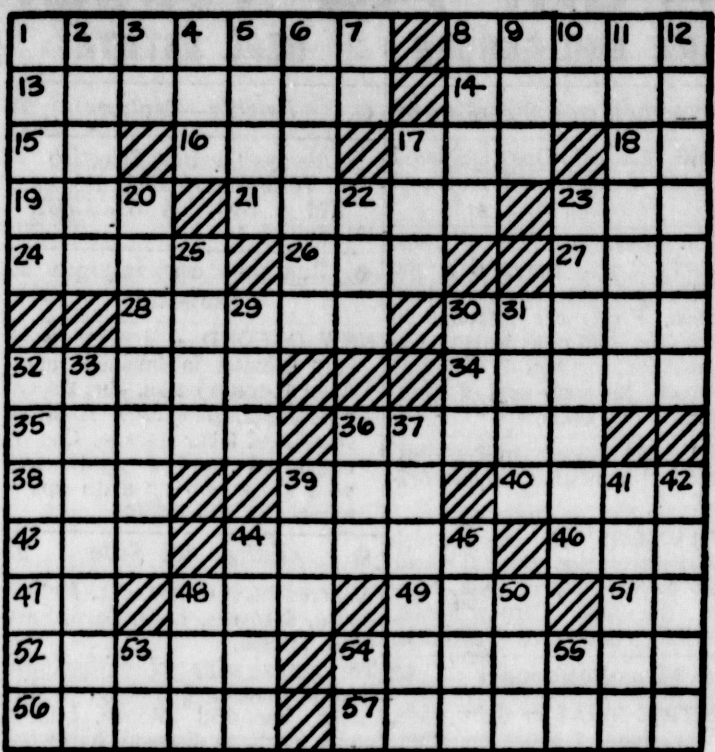

MRS. JOHN LEISTER

TANEYTOWN—A surprise reception in honor of the 25th wedding anniversary of Rev. and Mrs. William F. Wiley was given by their son-in-law and daughters, Mr. and Mrs. Richard Baker and Miss Debby Wiley, at the Taneytown Grace United Church of Christ on Sunday afternoon. Friends and church members from Baltimore, Emmitsburg, Keyville, Westminster and Taneytown were greeted by Mr. and Mrs. George Motter as they entered the parish hall dining room, which was decorated with silver streamers and white wedding bells. The opening of gifts was assisted by Deletha Baker and Mrs. Debby Wiley. The wedding cake of four tiers was decorated with white flowers, green foliage and topped with a silver bell. Rev. Wiley wore a carnation boutonniere and Mrs. Wiley completed her royal blue dress and matching hat with a corsage of white carnations and silver ribbons.

The children of Mrs. John R. Skiles surprised her on her eightieth birthday last Sunday which dinner at Taney Inn after which they all gathered at the home of her son, John H. Skiles, and family. Those present were Mr. and Mrs. Norman L. Skiles and daughter, Patty, of Augusta, Ga.; Mr.

a sleeper. He could step right onto a starting job if he can improve his attitude. He has the ability.

## SAYS U. S. WILL "STAND FIRM" AGAINST CUBA

WASHINGTON (AP)—Sen. Mike Mansfield, D-Mont., served notice Friday that President Johnson will see to it that the United States is not "parched out" out of the Guantanamo Naval Base.

Mansfield, the Democratic leader, told the Senate that this country has the technical means to supply water to the Cuban base "for as long as it takes and in whatever quantity it takes."

"I have every confidence that the President will see to it that we are not parched out of Guantanamo," the senator added.

### BACKED BY KUCHEL

Mansfield won immediate backing from Sen. Thomas H. Kuchel of California, acting Republican leader, who said he people of the United States "are not going to be pushed around."

Mansfield, in a blunt speech, said that if the arrest of the Cuban fishermen for poaching in U.S. waters had not sufficed as a pretext for Fidel Castro to cut off the water supply to Guantanamo, "the Havana government would have had no difficulty creating another."

Kuchel, commending Mansfield, said international communism "is testing the United States government," and "we intend to stand firm."

PITTSBURGH (AP)—Don Schwall, a right-handed pitcher, has signed his 1964 contract with the Pittsburgh Pirates, the club said Thursday. Schwall had a 6-12 record last season with the Pirates.

# Tennessee Ernie Ford Is A Very Busy Man . . . Especially For A "Lazy" Man

Tennessee Ernie Ford kids for the camera with Anita Gordon, featured femme vocalist on his Monday-Friday show (ABC, 1:00 P.M.).

By RUTH E. THOMPSON  
"Well, I'll bet there isn't a jail in the country I couldn't get into after this."  
Sound like The Best Gun West of Gulping Gulch?

Guess again. It's ABC-TV's midday pride and joy (1-1:30) Tennessee Ernie Ford who went or to speak movingly of wangling his way behind bars to do an album of "good old stand-

ard hymns" with the San Quentin Choir in the prison chapel. "It's not the first time I've sung in a jail — my father started the custom when I was a child — but the men didn't

know that . . . so they didn't know how to take me for the first five minutes" but when the singing inmates realized there was nothing phony about the big time pea-picker they really warmed up. "Will you come back to us?" they wanted to know.

## DEVOTED TO FORD

Millions of people with greater freedom of choice are fanatically devoted to him, too, though a puzzled few, like the San Quentin men, are still not sure how to take him.

For instance he wouldn't renew his very popular evening show several years back and in fact was going to give up television appearances entirely "because I just don't want to work that hard and I am lucky that I can afford to live without it."

His idea of not working hard? Running a ranch with 1,200 head of cattle in Northern California. "We also raise hay."

## ABC IS LUCKY

ABC considers itself lucky — and well it might — to have him Mondays through Fridays the year around. But to get him, they had to go where he was, San Francisco, a great and beautiful city to be sure, but still not a communications' hub. However, it's where "Betty and I, when we were first married, promised each other we'd live someday."

And how do the guest stars get there?

Tennessee Ernie, when exasperated, has a very effective trick of making his voice small and his gaze black and withering. "Lots of people do come to San Francisco. Singers and comedians play clubs like the Purple Onion and the Hungry Eye. Actors come to our Theater-in-the-Round."

## MANY APPEAR

Some who have come are Keely Smith, Nancy Kelly, Kay Starr, Jimmy Dean and that other major Tennessee export, Minnie Pearl.

The phone rang just then wiping the cloud from his face.

"Hello, Old Daddy! OK, tomorrow at 12:30. Follow Route 107. No I didn't bring any heavy clothes along, but don't worry. O.K. Perry."

Old Ern sure hadn't been relishing his trip. "First time in New York in two and a half years. Of course I don't like it. Betty couldn't come." But tomorrow, well that promised to be a happier day because at 12:30 it would be off to the links with that good golfer and great friend, Perry Como.

Who are other good golfing friends? "Well, Alvin Dark and I play a lot. Of COURSE I'm a Giants' fan."

## "NO WORK"

"When I was a boy the best time of my life — and we were a happy family, mind you, — was summers at my grandfa-

## You Can Be Sure Of The Best...

## Ernie Ford

(Continued From Page 1)

ther's farm. I wanted my boys (Brion and Buck, age 13 and 11) to have the same good life I had.

"I wanted to spend time with my sons the way my father did with me. I get two weeks off out of every five . . . and I'm taking Brion elk hunting."

Other business interests in addition to the farm? Yes indeed — and they have to do with television — he had an interest in the departing "Channing" and has next-season hopes for a proposed baseball-comedy show called "Perquacky."

Then the puzzle pieces begin to fall in place.

## LOVES TO SING

He just loves to sing and exchange jokes, "You see I've done that all my life, so has my whole family . . . but I'm the first one to get paid for it."

Ernie didn't so much leave Tennessee as take it with him together with all the principles and precepts he grew up with.

For example he draws a definite line between the teasing earthy humor he's famous for (wholesome, he calls it) and smut or profanity.

And when he let's loose with one of the rolling old hymns, it's not just a recollection of days gone by . . . behind the compelling voice is a faith as fresh as when he was a child.

## SENSE OF VALUES

Another thing he brought with him was his sense of values. He likes entertaining but he won't let it swallow him up, he's got to do the steering.

For a "nonworker" he also managed to do his autobiography "in four months by talking it into a machine." It's titled "This Is My Story, This Is My Song." (Prentice-Hall)

A wise and humorous book it should be "must reading" for fans.

And in an age of shaky matrimony his tribute to his Betty, a heartwarmer. For him, both after 21 years of marriage, is the old days and the nowadays are good . . . and kidding aside you find he even loves his mother-in-law.

As the men of San Quentin found . . . this is no phony. Amazingly, you can take him at face value. When he teases, he teases; when he's serious, he's serious, and when he's singing, he's great.

## Hitchcock Hour

## To Leave CBS

The facts haven't settled yet from the flurry of axings and replacements all three networks set in motion the day after the latest ratings were received.

"The Alfred Hitchcock Hour" one hears is off CBS but may go to NBC. Shows about psychiatry it is confirmed, then denied, may have a negative prognosis.

But the one thing that's for sure is that Ed Sullivan is expanding to 90 minutes . . . and no waiting until September or October. The effective date is April 5.

Judy Garland, of course, has "given her notice" which was regretfully accepted.

But warming up, is the hottest comedienne of the decade . . . Garry Moore discovery Carol Burnett who commencing in the fall will appear in four out of five programs of "The Entertainers" hour-long CBS offering produced by Bob Banner who's been doing "The Garry Moore Show," and who first came to national attention with "The Dinah Shore Show." No word yet — confirmed on whether Dinah herself is being lured back. In the meantime, the fu-

Networks Shuffle  
News Reporters

It's musical-chairs time in the news departments at the major networks as they deploy their forces to cope with popping national and world news and still keep firm tabs on all possible major candidates.

CBS has named its youthful Dan Rather (32) as its new White House correspondent. Rather, who has been CBS bureau chief in Dallas was the network's key correspondent at the time of the tragedy. NBC has a new White House correspondent, too. He's Robert Goralaki who succeeds Sandor Vanocur for whom he formerly filled in on weekends.

Sandy Vanocur meanwhile goes on political duty until after election. His special assignment will be to report on the activities of Governor William Scranton of Pennsylvania, an oft-mentioned Republican Presidential prospect.

ture of "The Garry Moore Show" itself doesn't look bright. There's speculation along Madison Ave. that a few of the established show cancellations may get reprieves yet.

Ron Butterfield of West Springfield, Mass., is a nephew of famed hockey player Eddie Shore. Ron, naturally, plays hockey on the Army team.

GOLDWATER IS  
STILL ON TOP  
IN N.H. RACE

CONCORD, N.H. (AP)— Sen. Barry Goldwater of Arizona is still considered by Republican leaders in New Hampshire as the front-runner in the presidential primary, a third Associated Press survey of the state's county executive committee members showed Friday.

But Goldwater, despite recent hard campaigning, has not improved his position since December, the new poll indicated. His chief rival, Gov. Nelson A. Rockefeller of New York, showed a slight gain since the previous poll, taken last December.

Nearly half the county leaders participating in the poll said they are undecided as to the probable Republican presidential nominee at the convention next July.

## TABULATES RESPONSES

Of New Hampshire's 33 county committee members, 26 responded to the questionnaire. It asked two questions, "Whom do you consider the strongest GOP candidate against President Johnson now?" and "Who will be nominated in July?" The responses were:

CBS To Build  
Capitol Newsroom

Election year developments at CBS include:

Building a newsroom in Washington for Walter Cronkite similar to the one from which he operates in New York. Explains the network: "At present, when he does interviews with personalities in the capital, Cronkite must fly to Washington and return to New York the same afternoon."

Appointing Pulitzer Prize-winning author, Theodore H. White special consultant to the network's election unit. This marks his "second term" with CBS, since he was with the network in 1961-62 bielections. His prize-winning book "The Making of the President 1960" was recently adapted into a television special.

NEW MEN'S SUITS  
STRETCH TO FIT

LOS ANGELES (AP) — If those clothes on the rack look too small this spring, men, don't worry. They'll stretch.

Everything fashionable will be cut slim and trim. But if you're not built that way, clothes will pull in to fit sunken chests and stretch to accommodate paunches.

That's the 1964 male fashion look, decreed in a preview Thursday by the National Association of Retail Clothiers and Furnishers.

The colors—light, bright, bold plaids and checks. The fabrics—the new stretch kind, that mold the body and don't wrinkle. Some are iridescent. And almost all the fabrics drip-dry.

Other fashion notes: stretch shirts of cotton and nylon blends, self-belted slacks and washable shoes.

ATHENS (AP) — Sophocles Venizelos, 69, a former premier of Greece, died Friday of a pulmonary ailment aboard a cruise ship returning from a political campaign trip to Crete.

NORTON, Mass. (AP) — Dr. Geoffrey May, 63, lawyer and author who served as deputy director of defense, health and welfare in World War II, died Thursday.
